Company announcement

PME signs three new contracts with a combined minimum value of A$29M

HIGHLIGHTS

- **Signs three new customer contracts with a combined minimum value of A$29M**
- **Broad range of customers - multiple segments of the market**
- **All three contracts are "Cloud/Full Stack"**
- **The contracts are transaction-based with potential upside**

Leading health imaging company Pro Medicus Limited [ASX: PME] today announced its wholly owned U.S. subsidiary, Visage Imaging, Inc., has signed three new contracts with a combined minimum contract value of A$29M. The contracts will be fully Cloud-deployed and are planned to be completed within the next 6 months

- A $6.5M 5-year contract with **Children's of Alabama**, a leading paediatric hospital in Birmingham, Alabama.
- A $9.5M, 7-year contract with **Roswell Park Comprehensive Cancer Center,** a cancer research and treatment facility located in Buffalo, New York.
- A $13M, 7-year contract with Vancouver Clinic, a physician-owned and governed group in Vancouver, Southwest Washington.

The contracts bring the company's minimum total contract value (TCV) for sales for the first half of FY26 to $273M.

Referring to the new clients, Dr Hupert commented, "They comprise a children's hospital, a cancer center, and a physician-owned and run regional healthcare provider. This diversity reinforces our

belief that our product is ideally suited to virtually all segments of the market, from smaller groups all the way through to some of the largest IDN's and academic medical centers in the US".

Dr Hupert concluded, "Despite very robust sales in the half, our pipeline remains strong with a broad range of opportunities both in terms of size and market segments. We also have the all-important RSNA conference in Chicago later this month which is shaping up to be our biggest yet."
