Whitehaven re-issues ASX Notification of Buy-back to re-start ASX Online reporting of its ongoing share buy-back

As a result of operational issues with the ASX platform on 1 December 2025, the ASX has requested that Whitehaven (ASX:WHC) re-issue a Notification of Buy-back (Appendix 3C) to reset the sequence of electronic buy-back forms in relation to its share buy-back program.

Whitehaven confirms that this Notification of Buy-back relates to its ongoing share buy-back program as updated on 21 August 2025, and does not signal the start of a new share buy-back.

Since 21 August 2025, Whitehaven has bought back 4.5 million shares for a total cost of \$30.8 million.

This announcement is authorised for release to the market by the Company Secretary of Whitehaven Coal Limited.
