

## PDI ANNOUNCES RECEIPT OF SUPERIOR ACQUISITION PROPOSAL

**Predictive Discovery Limited ("PDI" or the "Company") (ASX: PDI)** announces that it has received an unsolicited proposal from Perseus Mining Limited ("Perseus") for the acquisition of all of the issued ordinary shares of the Company (each, a "PDI Share") not already owned by Perseus in exchange for 0.136 new ordinary shares of Perseus (each, a "Perseus Share") for each PDI Share, to be implemented pursuant to a scheme of arrangement (the "Acquisition Proposal").

The Acquisition Proposal values each PDI Share at A\$0.778 based on the last closing price of A\$5.72 per Perseus Share on the ASX on 2 December 2025, implying a fully-diluted valuation for PDI of approximately A\$2.1 billion or US\$1.4 billion.<sup>1</sup> The Acquisition Proposal represents premiums of:

- 24.5% to the last closing price of PDI Shares on the ASX on 2 December 2025; and
- 34.8% to the 10-day volume weighted average price of PDI Shares on the ASX up to and including 2 December 2025.

The Acquisition Proposal contemplates that Perseus will provide the Company with an A\$37 million unsecured loan facility to be used for the purposes of paying any termination fee payable under the Robex Arrangement Agreement (as defined below), general working capital purposes and pre-development activities. The scheme implementation deed that would be entered into by PDI and Perseus in connection with the Acquisition Proposal is expected to be on customary terms and conditions for an agreement of this nature (including being subject to an independent expert concluding (and continuing to conclude) that the scheme is in the best interests of PDI shareholders, the approval of PDI shareholders and requisite Court approvals). The Acquisition Proposal is not subject to financing or due diligence conditions.

The Board of Directors of the Company (the "PDI Board") has unanimously determined, after consultation with its financial and legal advisors, that the Acquisition Proposal constitutes a "Superior Proposal" for the purposes of the terms of the arrangement agreement between the Company and Robex Resources Inc. ("Robex") dated 5 October 2025 (the "Robex Arrangement Agreement").

### ROBEX MATCHING RIGHT

In accordance with the Robex Arrangement Agreement, the Company has notified Robex today that it considers the Acquisition Proposal to be a Superior Proposal for the purposes of the Robex Arrangement Agreement and that the five business day matching period ("Matching Period") has commenced, during which Robex has the right, but not the obligation, to offer to provide a matching or superior proposal to the Acquisition Proposal. The Matching Period expires at 11.59pm (EST) on 10 December 2025 (12.59pm (AWST) on 11 December 2025).

<sup>1</sup> Based on AUD:USD exchange rate of 0.655.

At this time, there can be no assurance that the Acquisition Proposal will lead to termination of the Robex Arrangement Agreement and the execution of a scheme implementation deed with Perseus in respect of the Acquisition Proposal, or that a transaction contemplated by the Acquisition Proposal will be consummated.

PDI shareholders do not need to take any action at this time.
