Dear Sam

### **Brookside Energy Ltd ('Company')– Response to ASX Price Query**

We refer to your letter of 3 December 2025 in relation to an increase in the price of the Company's securities and a significant increase in the volume of Company securities traded today. Our responses to your queries are noted below.

**1. Is BRK aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

The Company is not aware of any information concerning it that has not been announced to the market which, if known by some in the market, may reasonably be regarded as an explanation for the recent trading in its securities.

**2. If the answer to question 1 is "yes".**

**(a) Is BRK relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in BRK's securities would suggest to ASX that such information may have ceased to be confidential and therefore BRK may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.**

N/A

**(b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).**

**(c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?**

**3. If the answer to question 1 is "no", is there any other explanation that BRK may have for the recent trading in its securities?**

A commissioned report was published by East Coast Research pre-open on 3 December 2025. The Company confirms that the report does not contain any information which has not already been publicly disclosed by the Company in accordance with its obligations under the Listing Rules and that East Coast Research prepared the report entirely based on publicly available information.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.
