

ASX Announcement

First sales gas from the Waitsia Gas Plant

Reference #077/25

Date 8 December 2025

Beach Energy Ltd (ASX: BPT, Beach) is pleased to advise that delivery of sales gas from the Waitsia Gas Plant into the pipeline network has commenced, marking the critical First Gas Export milestone for the project.

Following the recently announced Ready For Start Up milestone, certification procedures and processes have been completed which enabled export of sales gas into the pipeline network. Following achievement of first gas, the facility is now completing the planned emergency power restart test procedures before commencing the production ramp-up.

Beach will work closely with Waitsia Joint Venture operator Mitsui E&P Australia to support delivery of Mitsui's production ramp-up profile.
