Charter Hall Group (ASX: CHC) is pleased to announce it will implement a capital reallocation of 42.28 cents per security as approved by Securityholders at the Annual General meeting held on 20 November 2025. The details of the 'Capital Reallocation Proposal' were set out in the Notice of Annual General Meeting and Explanatory Memorandum announced to the Australian Securities Exchange on 20 October 2025.

CHC has obtained a draft Class Ruling from the Australian Taxation Office (**ATO**) confirming the Australian taxation implications of the capital reallocation for Securityholders. The formal class ruling is anticipated to be released 5 – 6 weeks after the implementation date.

CHC stapled securities consist of Charter Hall Limited (**CHL**) shares and Charter Hall Property Trust (**CHPT**) units. The capital reallocation will move capital from CHL to CHPT.

Under the Capital Reallocation proposal, CHL will implement a return of capital of 11.61 cents per CHL share and a special fully franked dividend of 30.67 cents per CHL share (with a franking credit attached equal to 13.14 cents per share). In accordance with the CHL and CHPT constitutions, the proceeds from each will be automatically applied as additional capital to CHPT. No payment of any cash will be made to Securityholders nor will any CHL shares or CHPT units be issued or cancelled.

The return of capital of 11.61 cents per share from CHL will reduce your relevant tax cost base of each CHL share held by you by this amount. However, the applied capital contribution of 42.28 cents per CHPT unit will increase your relevant tax cost base of each CHPT unit held by you by 42.28 cents per unit.
