

STRONGLY SUPPORTED A\$65 MILLION PLACEMENT TO ADVANCE 1.76Moz MANDILLA PROJECT DEVELOPMENT

Placement was significantly overbid, with outstanding support received from existing and new international and domestic institutional investors

Highlights

- Firm commitments received to raise approximately A\$65.0 million (before costs) in a two-tranche share placement to institutional, professional and sophisticated investors at A\$0.20 per share.
- Issue price represents a discount of 9.1% to the last traded price on Friday, 5 December 2025 (A\$0.22) and a 12.8% discount to the 5-day VWAP (A\$0.229).
- The Placement was well supported, with strong demand received from highly regarded existing and new domestic and offshore institutional investors.
- Proceeds from the Placement, combined with existing cash reserves and potential revenue to be generated from the proposed early mining opportunity at Think Big, will underpin a significant portion of the equity funding component for the Mandilla Gold Project development.

Astral Resources NL (ASX: AAR) (Astral or the **Company**) is pleased to advise that it has secured firm commitments to raise approximately A\$65.0 million (before costs) via a placement for the issue of approximately 325 million new fully paid shares (**New Shares**) at an offer price of \$0.20 per New Share (**Placement**).

Funds from the Placement will be used to accelerate exploration and evaluation activities at the Mandilla, Feysville and Spargoville Gold Projects, south of Kalgoorlie in Western Australia, where the Company has delineated a consolidated Mineral Resource base of 1.76Moz^{1,2,3} and consolidated Ore Reserves of 1.08Moz⁴.

A Definitive Feasibility Study (**DFS**) for the Mandilla Project is on-track for completion in the June 2026 Quarter, with proceeds of the Placement also to be utilised for the advancement of infrastructure early-works and the procurement of long-lead items in respect of the Mandilla development.

Together with potential revenue generated from the proposed early mining opportunity at Think Big⁵, the Placement funds are expected to underpin a significant portion of the equity funding component for the Mandilla Gold Project development, subject to a Final Investment Decision (**FID**).

⁵ - Astral Secures Development Partner for Think Big Project (refer to Astral ASX Announcement dated 20 October 2025).

Commenting on the Placement, Astral's Managing Director, Marc Ducler, said:

"As we close in on the delivery of the Mandilla DFS and move towards a Final Investment Decision, we are delighted with the strong support shown by high-calibre investors, both new and existing, in this Placement.

"The quality of the participants and the quantum of funds raised is testament to the outstanding credentials of the Mandilla Gold Project, which is shaping up as one of Australia's best near-term gold development stories.

"Proceeds from the Placement will enable Astral to continue with aggressive exploration and evaluation activities at the Mandilla, Feysville and Spargoville projects and deliver a high-quality DFS for Mandilla.

"The completion of this Placement puts Astral in a strong position to progress project financing discussions with an array of domestic and international banks and positions the Company to rapidly progress to a Final Investment Decision once the Mandilla DFS is complete.

"On behalf of the Astral Board and management, I would like to extend our appreciation to our new shareholders and thank our existing shareholders for their ongoing support as we seek to become the next Kalgoorlie gold producer."

Euroz Hartleys Limited and Canaccord Genuity acted as Joint Lead Managers to the Placement.

Use of Funds

Together with the Company's existing cash reserves, the proceeds of the Placement will be used to accelerate the exploration and evaluation of the Company's 100%-owned Mandilla, Feysville and Spargoville Gold Projects.

Specific activities will include:

- Expanding near-mine growth drilling at the Mandilla, Feysville and Spargoville Gold Projects;
- Finalising the Definitive Feasibility Study (DFS) for the Mandilla Gold Project;
- Advancing infrastructure early-works and the procurement of long-lead items in respect of the development of the Mandilla Gold Project;
- Exploration and evaluation support and overheads;
- General working capital purposes; and
- Costs of the Offer.
