Dear Ash

Nova Minerals Limited (Nova or the Company) (ASX: NVA, NASDAQ: NVA, OTC: NVAAF, FSE: QM3) requests that its securities (ASX Code: **NVA**) be placed in a trading halt under ASX Listing Rule 17.1, effective prior to the opening of the market on Thursday, 11 December 2025.

For the purposes of ASX Listing Rule 17.1, and in support of its request, NVA advises that:

1. The trading halt is requested, pending the release of an announcement in relation to the proposed share placement.
2. The Company requests that the trading halt continue until the earlier of the Company releasing an announcement regarding the filing and publication of the registration statement referred to above, or the commencement of trading on Monday, 15 December 2025.
3. The Company is not aware of any reason why the trading halt should not be granted. It is noted that the Company completed an exploration program in September 2025. The Company is still awaiting for some assay results to be delivered, certified and passed by QA/QC. The Company will release these results as they become available upon interpretation in their entirety.
4. The Company is not aware of any further information necessary to inform the market about the trading halt.

This request has been authorised for provision to the ASX by an Executive Director.

Please contact me if you require further information concerning this matter.

Yours sincerely
