

# Provaris Placement Advances H<sub>2</sub> and CO<sub>2</sub> Tank Development

**Provaris Energy Ltd (ASX: PV1) ("Provaris" or the "Company")** is pleased to advise that it has raised \$500,000 through a placement of new fully paid ordinary shares to professional and sophisticated investors.

The placement was supported by all members of the Provaris Board and executive management team, demonstrating alignment and confidence in the Company's execution strategy and technology development roadmap.

## Use of Proceeds

Funds raised will be applied to:

- Fabrication and testing of Provaris' proprietary prototype hydrogen (H<sub>2</sub>) tank.
- Advancement of low-pressure liquid CO<sub>2</sub> (LCO<sub>2</sub>) tank joint venture with Yinson Production AS, including FEED and engagement with a leading marine Classification Society (DNV) for approvals.
- Project-related operating costs and business development activities.

These workstreams remain central to Provaris' strategy of delivering proprietary, efficient and scalable compressed H<sub>2</sub> shipping and LCO<sub>2</sub> storage and maritime infrastructure solutions required for the energy transition.

## Funding Strategy

In parallel, Provaris is engaged with aligned strategic partners around alternate funding options including non-dilutive project-linked co-funding, and industrial investment.

## Provaris Chairman Greg Martin commented

"This capital raise will support the continued momentum across both our hydrogen and CO<sub>2</sub> programs. With deliverables progressing and strong industrial partners in place, the Board and Management are focused on execution in a capital efficient manner."

## Placement Details

- Conducted under the Company's existing placement capacity under ASX Listing Rule 7.1a.
- The issue price: \$0.013 per share, representing a 15.8% discount to the 15-day VWAP and a 23.1% discount to the last traded price of \$0.016.
- Each share issued will be accompanied by one free-attaching unlisted option for every two shares issued, exercisable at \$0.03 and expiring on 20 February 2027.
- Option issuance and Director participation are subject to shareholder approval at a general meeting to be convened in early 2026.
- Ethicus Advisory Partners acted as the Lead Manager.

- END -

This announcement has been authorised for release by the Board of Provaris Energy Ltd.
