## UPDATE ON HORSLEY PARK BIOENERGY PROJECT

---

Delorean Corporation Ltd ("Delorean" or "the Company") advises that it has received an update from Brickworks that Brickworks has elected to no longer progress towards a Final Investment Decision (FID) on the proposed Horsley Park Bioenergy plant with Delorean at Horsely Park which Delorean and Brickworks had jointly developed to date (funded by Brickworks), under an integrated MOU and Master Services Agreement.

Delorean will now shift its focus to pursuing its other project opportunities in NSW and to take the VIC1 project into construction.

Delorean continues to progress the construction of its 100% owned SA1 project.

### About Delorean Corporation Limited

Delorean Corporation is a leading Australian bioenergy company. Delorean specialises in the design, build, ownership and management of bioenergy infrastructure. In addition to bioenergy power generation, Delorean also operates in the energy retail market. Delorean Corporation is a vertically integrated company positioned in two high growth industries; renewable energy and waste management.

Delorean Corporation comprises an Engineering Division, Infrastructure Division and Energy Retail Division. Through these divisions Delorean Corporation has the inhouse capability to deliver bioenergy projects across the full lifecycle, from project conception to completion, processing organic waste, generating renewable energy and monetising the sale of green electricity, heat and gas.

DEL's projects produce renewable energy whilst reducing the volume of waste going to landfill, utilising a model that generates multiple revenue streams.
