Trading Update and Profit Guidance

Nick Scali Limited (“NCK” or “the Company”) today wishes to issue the following trading update for the first half of FY26.

Following the Company’s trading update on 29 October 2025, first half revenue for Australia and New Zealand is expected to be 10% - 12% more than the previous year, higher than previous guidance of 7% - 9%.

As a result of the revenue growth in Australia and New Zealand, statutory net profit after tax for the group in the first half FY26 is expected to be in the range of \$37m - \$39m, compared to guidance of \$33m - \$35m.
