

ASX release

24 December 2025

COMPLETION OF PLACEMENT

Truscott Mining Corporation Ltd (ASX:TRM) refers to the proposed placement announced on 16 December 2025. The placement raised \$1,440,000 before costs.

Truscott is pleased to announce the results of the placement:

	Shares
Placements applied for and issued	18,000,000
Free attached options issued	9,000,001
Total securities issued	27,000,001

The shares and options will be entered into Shareholders' security holdings and the Appendix 2A lodged with ASX today.

The shares will be quoted on 29 December 2025.

The Company is actively engaging with geologists and drillers with the expectation that drilling, weather permitting, will commence in January 2026

This ASX announcement was authorised for release by the Board.

Michael J Povey
Company Secretary
