### **Distribution Reinvestment Plan Opportunity**

The DRP provides unitholders with a cost-effective means of maximising their investment in the Fund by reinvesting their distributions into additional units in the Fund. Units issued under the DRP will be free of any brokerage, commission, stamp duty and other transaction costs and will rank equally with existing units from the date of issue.

The issue price for units allotted under the DRP will be the Fund's net asset value per unit at the end of the ASX Trading Day on the Record Date. Any residual amounts will count towards future DRP allotments.
