Next Science Limited (ASX: NXS) – Suspension from Quotation

The securities of Next Science Limited ('NXS') will be suspended from quotation prior to the commencement of trading today, Friday, 2 January 2026, pursuant to Listing Rule 17.3.1, which is a date six months from the date of the agreement entered into by NXS to dispose of its main undertaking, consistent with section 4.7 of ASX Guidance Note 12.

ASX afforded NXS a period of six months from the date of the agreement to dispose of NXS' main undertaking to demonstrate that its level of operations is sufficient to warrant the continued quotation of its securities under Listing Rule 12.1.

Following that period, ASX has determined that NXS does not have a sufficient level of operations to warrant the continued quotation of its securities.

The suspension will continue until ASX is satisfied that NXS is in compliance with the Listing Rules, including Listing Rule 12.1, and that it is otherwise appropriate for NXS' securities to be reinstated to quotation.
