Dear Shareholder,

### **Medallion Metals Limited – 2025 Share Purchase Plan**

On behalf of the Board of Medallion Metals Limited (ASX: MM8) (**Medallion** or **Company**), I invite Eligible Shareholders to participate in the Medallion share purchase plan (**SPP**) as announced to the ASX by the Company on 15 December 2025.

Eligible Shareholders are Company shareholders with a registered address in Australia or New Zealand who were registered holders of Shares at **5.00pm (AWST) on 12 December 2025**.

Under the SPP, Eligible Shareholder have an opportunity to purchase between A\$2,000 and A\$30,000 worth of ordinary shares in the capital of the Company (**Shares**), in increments of A\$2,000, irrespective of the size of their shareholding, without incurring brokerage or transaction costs, (**Offer**).

The Company is seeking to raise approximately A\$5million under the SPP through the issue of approximately 15,151,516 Shares at an issue price of A\$0.33 per Share, the same price at which Shares were recently issued under a A\$0.33 million Placement as initially announced to ASX on 15 December 2025 (**Placement**). The Company reserves the right to accept over subscriptions under the SPP to raise up to an additional A\$5m under the SPP by the issued of up to an addition 15,151,516 Shares at an issue price of A\$0.33 per Share.

The SPP Share issue price represents a discount of 20.8% to the 5 day VWAP Share price to 12 December 2025, being A\$0.417.

ASX has granted the Company a waiver of Listing Rules 7.1 and 10.11 to the extent necessary to permit the Company to issue the Shares subject of the SPP at an issue price lower than 80% of the five-day volume weighted average market price prior to the date of announcement of the SPP. This means that the Company can offer Eligible Shareholders Shares under the SPP at the same issue price as the Placement.

Proceeds raised under the Placement and SPP will be used towards the following:

- Front End Engineering and Design for Cosmic Boy processing infrastructure and early infrastructure and site preparation works at the Kundip Mining Centre;
- Subject to completion of the proposed transaction to acquire Forrestania, construction and development of the Project;
- Infill and extensional drilling at RGP, to improve the size and confidence in the existing Mineral Resource; and
- Transaction costs and general working capital.

The SPP Offer is being made on the terms and conditions of this letter and enclosed SPP Booklet ("Terms and Conditions") and personalised application form. If you are an Eligible Shareholder, please read the Terms and Conditions in full before applying for Shares under the Offer.

The Offer will open at **9.00am (WST) on 5 January 2026** and is intended to remain open until **5.00pm (WST) on 28 January 2026** with SPP Shares intended to be issued on **30 January 2026**.
