Unit holders should not rely on this information for the purposes of completing their income tax return. Details of the final full year components attributed to each unit holder will be provided in the AMIT Members Annual Statement (AMMA Tax Statement), which will be issued following the end of the financial year.

Entities (such as those holding units on behalf of non-resident investors) who are required to withhold tax from these distributions should be aware that the AMMA Tax Statements that are issued by the Fund may provide for "deemed payments" which may be subject to additional withholding tax obligations.

You must be registered as a unit holder of the respective Vanguard ETF on the Record Date to be eligible for this distribution. To be eligible, you will need to have purchased your units prior to the Ex Distribution Date, for the transaction to have been settled and for your unitholding to have been entered on the register as of the Record Date.

To ensure prompt distribution payments please ensure that the correct bank details have been provided to the registrar, Computershare, prior to the Record Date.

[^] Under the AMIT regime and as a consequence of being an AMIT, in certain distribution periods, there may be a difference between the total Estimated Tax Attribution Components with the total Cash Distribution paid to investor.
