ASX ANNOUNCEMENT

SIMPEC awarded contract by Tianqi Lithium Kwinana

Highlights

- SIMPEC has been awarded a new construction package for TLEA at its lithium hydroxide processing plant in Kwinana, WA.
- The project aligns with SIMPEC's strategy to support Australia's energy transition.

Tianqi Lithium Kwinana (TLK)

WestStar Industrial Limited (Company or WestStar) (ASX: WSI), an Australian industrial services company, operating in the energy, resources, utility and infrastructure sectors is pleased to announce the award of a new contract, valued at approximately \$11 million, to its wholly owned subsidiary SIMPEC for the delivery of structural, mechanical piping (SMP) works at the TLEA operations in Kwinana, Western Australia.

The project will commence immediately and is scheduled to be completed in Q2 CY2026.

Tianqi Lithium Energy Australia (TLEA) is a joint venture between Tianqi Lithium Corporation and IGO Limited. TLEA owns the Kwinana Lithium-Hydroxide Processing operation, managed by Tianqi Lithium Kwinana (TLK)

The construction package consists of new mechanical equipment that will be integrated into the existing processing plant. SIMPEC will perform all SMP works for the construction of the project.

SIMPEC Managing Director Mark Dimasi noted:

"We look forward to partnering with Tianqi Lithium Kwinana to deliver this program of works safely, efficiently, and to the highest standards. We extend our thanks to the TLEA team for their ongoing support."
