

Extension of On-Market Share Buy-Back Program

Sydney, 9 January 2026

Aristocrat Leisure Limited (**Aristocrat**) (ASX: ALL) today announces that it will extend its current on-market share buy-back program, as part of its ongoing capital management strategy.

With A\$701.1 million of shares bought back since February 2025, the Board has approved an increase in the on-market share buy-back program to allow up to a further A\$750 million in shares to be bought back over an additional 12-month period ending 5 March 2027 (up to A\$1.5 billion in aggregate). The on-market share buy-back program will continue to be conducted on an opportunistic basis and Aristocrat reserves the right to vary, suspend or terminate the on-market share buy-back program at any time.

Aristocrat's Chief Executive Officer, Trevor Croker, said: "With the A\$750 million on-market share buy-back program previously announced in February 2025 nearing completion, and our consistently strong cash flow generation, we are able to continue to pursue a mix of returns to shareholders via dividends and share buy-backs while also investing in strategic acquisitions and organic growth initiatives."
