## Section B – Notice of General Meeting

### Time and place

Notice is hereby given that the General Meeting will be held as follows:

- Held in person at 24-26 Kent Street, Millers Point, NSW 2000
- Commencing at 9:00 AM (Sydney time) on 12 February 2026.

### Explanatory Statement

The Explanatory Statement which accompanies and forms part of this Notice of General Meeting describes the matters to be considered at the General Meeting.

### Defined terms

Terms used in this Notice of General Meeting have the meaning given to them in the Glossary in **Section A** of the Notice of General Meeting & Explanatory Statement.

## SPECIAL BUSINESS

### 1. Resolution 1: Ratification of prior issue of Consideration Shares issued under ASX Listing Rule 7.1

To consider and, if thought fit, pass the following Resolution as an **ordinary resolution**:

*"That, for the purposes of ASX Listing Rule 7.4 and for all other purposes, Shareholders approve and ratify the Company's prior issue of 17,583,966 Shares to Qeepsake, issued under ASX Listing Rule 7.1 at a deemed issue price of \$0.1034 per Consideration Share, on the terms and conditions set out in the Explanatory Statement."*

#### Short explanation

On 14 November 2025, the Company issued 17,583,966 Shares, being the 'Consideration Shares', to Qeepsake, at a deemed issue price of \$0.1034 per Consideration Share, as part consideration for the acquisition of the Qeepsake Assets under the Asset Purchase Agreement.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities (which includes Shares) during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period (**15% Placement Capacity**).

The Consideration Shares were issued within the 15% Placement Capacity. Approval under ASX Listing Rule 7.4 is being sought to ratify the issue of the Consideration Shares and re-set the 15% Placement Capacity.

#### Voting Exclusion Statement

The Company will disregard any votes cast in favour of the Resolution by or on behalf of:

- Qeepsake and any other person who participated in the issue of the Consideration Shares; or
- an associate of that person or persons.

However, this does not apply to a vote cast in favour of the Resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- the Chair of the General Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
  - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

## 2. Resolution 2: Authority to issue the Consideration Performance Rights under ASX Listing Rule 10.11

To consider and, if thought fit, pass the following Resolution as an **ordinary resolution**:

*"That, for the purposes of ASX Listing Rule 10.11 and for all other purposes, Shareholders approve and authorise the Company to issue 1,500,000 Consideration Performance Rights to Qeepsake and, upon conversion of those Consideration Performance Rights, the acquisition of the Shares underlying those Consideration Performance Rights, on the terms and conditions set out in the Explanatory Statement."*

### Short explanation

The Company will issue 1,500,000 Consideration Performance Rights to Qeepsake as part consideration for the acquisition of the Qeepsake Assets under the Asset Purchase Agreement. Subject to satisfaction of the relevant hurdles, the Consideration Performance Rights will convert into a maximum of 25,252,523 Shares in the Company.

ASX Listing Rule 10.11 provides that a company must not, subject to specified exceptions, issue or agree to issue Equity Securities (which includes performance rights) to specified persons without the approval of the holders of its ordinary securities.

Approval under ASX Listing Rule 10.11 is being sought as Qeepsake is a substantial holder in the Company who has nominated a director to the Board, and therefore the issue of Consideration Performance Rights falls within the scope of ASX Listing Rule 10.11.

### Voting Exclusion Statement

The Company will disregard any votes cast in favour of the Resolution by or on behalf of:

- Qeepsake and any other person who is to receive the Consideration Performance Rights, or who will obtain a material benefit as a result of, the proposed issue of Consideration Performance Rights (except a benefit solely by reason of being a holder of ordinary securities in the entity); or
- an associate of that person or persons.

However, this does not apply to a vote cast in favour of a Resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- the Chair of the General Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
  - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

## 3. Resolution 3: Authority to grant the Options to a Related Party, Ms Zsofi Paterson, under ASX Listing Rule 10.14

To consider and, if thought fit, pass the following resolution as an **ordinary resolution**:

*"That, for the purposes of ASX Listing Rule 10.14 and for all other purposes, Shareholders approve and authorise the Company to grant 790,000 options exercisable at \$0.095 and expiring on 31 March 2027 to Ms Zsofi Paterson (or her nominee), being a Related Party of the Company, under the Tinybeans Incentive Plan for future performance (**Options**) and, upon exercise of those Options, the acquisition of the Shares underlying those Options, in accordance with the terms of the Tinybeans Incentive Plan and on the terms and conditions set out in the Explanatory Statement."*

### Short Explanation

This Resolution is required under ASX Listing Rule 10.14 to allow the issue of Equity Securities, in the form of the Performance Rights, under the Tinybeans Incentive Plan to Ms Zsofi Paterson (or her nominee), being a Related Party of the Company by virtue of being a Director, for future performance.

**ASX Voting Exclusion Statement:** The Company will disregard any votes cast in favour of this Resolution by or on behalf of:

- a person referred to in ASX Listing Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the employee incentive scheme in question, including Ms Zsofi Paterson (or her nominee); or
- an associate of that person or those persons.

However, this does not apply to a vote cast in favour of this Resolution by:

- a person as proxy or attorney for a person who is entitled to vote on this Resolution, in accordance with directions given to the proxy or attorney to vote on this Resolution in that way; or
- the Chair of the General Meeting as proxy or attorney for a person who is entitled to vote on this Resolution, in accordance with a direction given to the Chair to vote on this Resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on this Resolution; and
  - the holder votes on this Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

**Corporations Act Voting Prohibition Statements:** As this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel, in accordance with section 250BD of the Corporations Act, the Company will disregard any votes cast on this Resolution by:

- a member of the Key Management Personnel; or
- a Closely Related Party of such member.

However, the above persons may cast a vote on this Resolution if:

- the person does so as a proxy; and
- the vote is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report or a Closely Related Party of such a member; and
- either:
  - the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
  - the voter is the Chair of the General Meeting and the appointment of the Chair as proxy does not specify the way the proxy is to vote on this Resolution and expressly authorises the Chair to vote as the proxy even if this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company or, if the Company is part of a consolidated entity, for the entity.

## Section D – Explanatory Statement

---

This Explanatory Statement forms part of the Notice of General Meeting convening the General Meeting of Shareholders of the Company to be held commencing at 9:00 AM AEDT 12 February 2026 in person at 24-26 Kent Street, Millers Point, NSW 2000.

Refer to **Section C** for details on how to attend and vote at the General Meeting.

This Explanatory Statement is to be read in conjunction with the Notice of General Meeting.

### Purpose

The purpose of this Explanatory Statement is to provide information which the Directors believe is material to Shareholders in deciding whether or not to pass the Resolutions to be put forward in the General Meeting.

The Directors recommend Shareholders read the Notice of General Meeting and this Explanatory Statement in full before making any decisions relating to the Resolutions contained in the Notice of General Meeting.

### Defined terms

Terms used in this Explanatory Statement have the meaning given to them in the Glossary in **Section A** of the Notice of General Meeting & Explanatory Statement in which this Explanatory Statement is contained.

## ORDINARY BUSINESS

### 1 Resolution 1: Ratification of prior issue of Consideration Shares issued under ASX Listing Rule 7.1

---

#### 1.1 General

The Company refers to the background information relating to the Acquisition contained in the Letter from the Chair.

For full details on the Acquisition of the Qeepsake Assets, refer to the ASX Announcement dated 3 November 2025. A summary of the Asset Purchase Agreement is contained in **Schedule 1** of this Notice of General Meeting & Explanatory Statement.

Resolution 1 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the prior issue of 17,583,966 Shares (being the Consideration Shares) issued under ASX Listing Rule 7.1.

Resolution 1 is an ordinary resolution.

#### 1.2 ASX Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Consideration Shares does not fit within any of the exceptions listed in ASX Listing Rule 7.2 and, as it has not yet been approved by the Shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the date of issue of the Consideration Shares (**Issue Date**).

ASX Listing Rule 7.4 allows the shareholders of a listed company to ratify an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further Equity Securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issue under ASX Listing Rule 7.1.

To that end, Resolution 1 seeks Shareholder approval for the prior issue of the Consideration Shares under and for the purposes of ASX Listing Rule 7.4.

### 1.3 Effect of Shareholder approval (information required under ASX Listing Rule 14.1A)

If Resolution 1 is passed, the issue of the Consideration Shares will be excluded in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the Issue Date.

If Resolution 1 is not passed, the issue of the Consideration Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the Issue Date.

### 1.4 Technical information required by ASX Listing Rule 7.5

For the purposes of ASX Listing Rule 7.5, information regarding the issue of the Consideration Shares is provided as follows:

<b>The names of the persons to whom the Company issued the securities</b> <i>ASX Listing Rule 7.5.1</i>	<p>The Consideration Shares were issued to Qeepsake who, prior to the issue of the Consideration Shares, was not a party to whom ASX Listing Rule 10.11 would apply.</p> <p>At the time of the issue of the Consideration Shares, Qeepsake was not:</p> <ul style="list-style-type: none"> <li>• a member of the Key Management Personnel;</li> <li>• a substantial holder of the Company;</li> <li>• an adviser of the Company; or</li> <li>• an associate of any of the above.</li> </ul> <p>Prior to the issue of the Consideration Shares, Qeepsake held no Shares in the Company. Following the issue of the Consideration Shares, Qeepsake holds 10.63% of the issued Share capital of the Company.</p>
<b>The number and class of securities issued</b> <i>ASX Listing Rule 7.5.2</i>	<p>17,583,966 Shares were issued by the Company pursuant to ASX Listing Rule 7.1. The Consideration Shares are fully paid ordinary shares in the Company.</p>
<b>If the securities are not fully paid ordinary securities, a summary of the material terms of the securities</b> <i>ASX Listing Rule 7.5.3</i>	<p>N/A.</p>
<b>The date on which the securities were issued</b> <i>ASX Listing Rule 7.5.4</i>	<p>The Consideration Shares were issued by the Company on 14 November 2025.</p>
<b>The issue price</b> <i>ASX Listing Rule 7.5.5</i>	<p>The Consideration Shares were issued as part consideration for the purchase of the Qeepsake Assets, but at a deemed issue price of \$0.1034 per Consideration Share.</p>

<b>The purpose of the issue, including the intended use of the funds raised</b> <i>ASX Listing Rule 7.5.6</i>	No funds were raised from the issue of the Consideration Shares as they were issued as part consideration for the purchase of the Qeepsake Assets.
<b>If the securities were issued under an agreement, a summary of the material terms of the agreement</b> <i>ASX Listing Rule 7.5.7</i>	Refer to <b>Schedule 1</b> for a summary of the Asset Purchase Agreement, being the document under which the Consideration Shares were issued.
<b>Voting exclusion statement</b> <i>ASX Listing Rule 7.5.8</i>	A voting exclusion statement is contained in Resolution 1.

## 1.5 Recommendation and voting requirements

The Directors unanimously recommend that Shareholders approve Resolution 1.

Resolution 1 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair of the General Meeting intends to vote all available undirected proxies in favour of Resolution 1.

## 2 Resolution 2: Authority to issue the Consideration Performance Rights under ASX Listing Rule 10.11

### 2.1 General

The Company refers to the background information relating to the Acquisition contained in the Letter from the Chair.

For full details on the Acquisition of the Qeepsake Assets, refer to the ASX Announcement dated 3 November 2025. A summary of the Asset Purchase Agreement is contained in **Schedule 1** of this Notice of General Meeting & Explanatory Statement.

Resolution 2 seeks Shareholder approval pursuant to ASX Listing Rule 10.11 for the issue of 1,500,000 Consideration Performance Rights.

Resolution 2 is an ordinary resolution.

### 2.2 ASX Listing Rule 10.11

Under ASX Listing Rule 10.11, unless an exception in rule 10.12 applies, an entity must not issue or agree to issue Equity Securities to any of the following persons without the approval of the holders of its ordinary securities:

- (a) A related party.
- (b) A person who is or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity.
- (c) A person who is, or was in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity and who has nominated a director to the board of the entity.
- (d) An associate of a person referred to above.

- (e) A person whose relationship with the entity or persons referred to above, is such that in the ASX's opinion, the issue or agreement should be approved by securityholders.

Following the issue of Consideration Shares, Qeepsake is a substantial holder in the Company as it holds 10.63% of the issued Shares. In addition, Qeepsake has a nominee on the Board, being Cliff Sirlin. Therefore, Qeepsake falls within the scope of ASX Listing Rule 10.11 and Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies.

It is the view of the Directors that none of the exceptions set out in ASX Listing Rule 10.12 apply to the current circumstances.

As such, Resolution 2 seeks the required Shareholder approval for the issue of the Consideration Performance Rights under and for the purposes of ASX Listing Rule 10.11.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Consideration Performance Rights to Qeepsake as approval is being obtained under ASX Listing Rule 10.11. Accordingly, under ASX Listing Rule 7.2, Exception 14, the issue of Consideration Performance Rights will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

## 2.3 Effect of Shareholder approval (information required under ASX Listing Rule 14.1A)

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Consideration Performance Rights. In addition, the issue of the Consideration Performance Rights will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the Consideration Performance Rights, however, should the Performance Conditions deem to be satisfied despite the Performance Rights not being issued for any reason, the Consideration Performance Rights will be settled with Qeepsake in cash instead of being settled by way of an issue of Shares to Qeepsake.

The Chair of the General Meeting intends to vote all available undirected proxies in favour of Resolution 2.

### 3 Resolution 3: Authority to grant the Options to a Related Party, Ms Zsofi Paterson, under ASX Listing Rule 10.14

#### 3.1 Purpose of Resolution

The Company has agreed to, subject to obtaining Shareholder approval, grant 790,000 options exercisable at \$0.095 and expiring on 31 March 2027 to Ms Zsofi Paterson (or her nominee), a Director of the Company, under the Tinybeans Incentive Plan (**Options**) as set out in Schedule 3).

The purpose of the grant of the Options to Ms Zsofi Paterson (or her nominee) is for future performance and to align her personal interests with the interests of the Company's Shareholders.

#### 3.2 Terms of grant of the Options and how the number of Options was determined

The 790,000 Options have an exercise price of \$0.095 and expire on 31 March 2027. The Options are exercisable into Shares on a 1 for 1 basis.

The high-level terms of the Options are detailed below:

Number of Options offered	Exercise Price	Performance Conditions	Performance Criteria Determination Date	Conversion Date	Expiry date of Options
240,000 Options	\$0.095 per Option	EBITDA Positive for the Calculation Period	Following completion of the half year reviewed accounts ended 31 December 2026	No later than one calendar month after the date of vesting	31 March 2027 (or such earlier date, once it is determined that the Performance Conditions are not satisfied)
300,000 Options	\$0.095 per Option	40,000 or more Paid Subscribers of Qeepsake at the Calculation Date	Following completion of the half year reviewed accounts ended 31 December 2026	No later than one calendar month after the date of vesting	31 March 2027 (or such earlier date, once it is determined that the Performance Conditions are not satisfied)
250,000 Options	\$0.095 per Option	US\$3,750,000 for the Calculation Period (or a pro-rata amount of the US\$3,750,000, in the event the Calculation Period ends earlier than 30 September 2026)	Following completion of the half year reviewed accounts ended 31 December 2026	No later than one calendar month after the date of vesting	31 March 2027 (or such earlier date, once it is determined that the Performance Conditions are not satisfied)

Where:

- (a) The **Calculation Period** is the period commencing on 1 October 2025 and ending on the Calculation Date.

- (b) The **Calculation Date** is the earlier of 30 September 2026 and the date the Company completes the migration of the Qeepsake subscribers onto the Tinybeans platform.
- (c) **Paid Subscribers of Qeepsake** means all Qeepsake subscribers on any paid membership tier and paid subscribers of the Company generated directly via a Qeepsake channel, tracked through an agreed measurement and attribution platform.

Where one Performance Condition is satisfied but another is not, only the Options attributable to the 'Number of Options offered' (as set out in the table above) for the specific Performance Condition that has been satisfied will become the exercisable portion which must be issued to Ms Zsofi Paterson (or her nominee) in Shares and the balance of the Options would lapse as being incapable of being exercised.

All Directors, other than Ms Zsofi Paterson, note that:

- (a) the grant of the Options to Ms Zsofi Paterson a person of the calibre and skills and experience that Ms Zsofi Paterson has, and aligns the interests of Ms Zsofi Paterson with those of Shareholders;
- (b) the issue of the Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if cash remuneration were given to Ms Zsofi Paterson; and
- (c) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Options upon the terms proposed.

### 3.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that, for a public company or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in section 210 to 216 of the Corporations Act.

A 'related party' is defined widely in section 228 of the Corporations Act and includes, relevantly, a director (or proposed director) of a public company, any entity that controls (or is reasonably likely to control) a public company, and any entity that is controlled by a person or entity which is otherwise a related party, or there are reasonable grounds to believe that a person/entity is likely to become a related party of the public company.

A 'financial benefit' for the purposes of the Corporations Act is defined widely and includes the public company paying money or issuing securities to a related party. In determining whether or not a financial benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given for the financial benefit is to be disregarded, even if it is full or adequate.

The issue of the Options to Ms Zsofi Paterson (or her nominee) constitutes giving a financial benefit to her. Ms Zsofi Paterson is a related party of the Company by virtue of being a Director.

The non-associated Directors on the Board have considered the issue of the Options and, taking into account the circumstances of the Company, the circumstances of the Directors, and the remuneration practices of other similar entities, has reached the conclusion that the

financial benefit to be provided to Ms Zsofi Paterson by way of the issue of the Options (together with the other elements of her remuneration package) constitutes reasonable remuneration. Accordingly, the Company considers that it can rely on the 'reasonable remuneration' exception under Chapter 2E of the Corporations Act. As such, approval under Chapter 2E of the Corporations Act is not being sought.

### 3.4 ASX Listing Rules 10.11, 10.14 and 7.1

ASX Listing Rule 10.14 requires a listed entity to obtain shareholder approval for the issue of Equity Securities under an employee incentive scheme to certain classes of individuals, including directors. Ms Zsofi Paterson is a Director of the Company and, as such, falls within ASX Listing Rule 10.14.1. Therefore, Shareholder approval is required for the issue of Options to Ms Zsofi Paterson.

Once Shareholder approval is obtained under ASX Listing Rule 10.14, the Company is entitled to rely on ASX Listing Rule 10.12, Exception 8 which provides that approval under ASX Listing Rule 10.11 is not required for an issue of Equity Securities under an employee incentive scheme made, or taken to have been made, with the approval of the issuing entity's shareholders under ASX Listing Rule 10.14.

In addition, once Shareholder approval is obtained under ASX Listing Rule 10.14, the Company is entitled to rely on ASX Listing Rule 7.2, Exception 14, which provides that approval under ASX Listing Rule 7.1 does not apply to an issue of Equity Securities made with the approval of the issuing entity's shareholders under ASX Listing Rule 10.14.

### 3.5 Effect of Shareholder approval (ASX Listing Rule 14.1A)

If this Resolution is passed, the Company will be able to proceed with the proposed issue of 790,000 Options to Ms Zsofi Paterson (or her nominee).

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue of 790,000 Options to Ms Zsofi Paterson (or her nominee) and the Company may choose to offer Ms Zsofi Paterson (or her nominee) additional cash incentives.

A\$0.09																								

	Subtotal: Performance Consideration		100%	The equivalent of US\$1,500,000 (equivalent of A\$ 2,272,727 at the agreed FX Rate) worth of Shares (corresponding to a total 1,500,000 Consideration Performance Rights)		
	<p>The number of Shares to be issued to Qeepsake on vesting of the Consideration Performance Rights will be determined by dividing the Apportioned Performance Consideration attributable to the relevant Performance Condition(s) that have been satisfied during the Calculation Period by a 15% discount to the 90-day VWAP ending on the final business day of the Calculation Period, with a floor price of A\$0.09.</p> <p>The Calculation Period is the period commencing on 1 October 2025 and ending on the Calculation Date.</p> <p>The Calculation Date is the earlier of 30 September 2026 and the date the Company completes the migration of the Qeepsake subscribers onto the Tinybeans platform.</p> <p>Where one Performance Condition is satisfied but another is not, only the Consideration Performance Rights attributable to the Apportioned Performance Condition (as set out in the table above) for the specific Performance Condition that has been satisfied will become the vested portion which must be issued to Qeepsake in Shares and the balance of the Consideration Performance Rights would lapse as being unvested.</p> <p>By way of example, if Performance Condition 1 and Performance Condition 2 is satisfied, but Performance Condition 3 is not satisfied, then Qeepsake would receive a total of US\$1,000,000 in Apportioned Performance Consideration (equal to A\$1,515,152 on the basis of the agreed FX Rate) and the balance of the Consideration Performance Rights in the amount of US\$500,000 (equal to A\$757,576 on the basis of the FX Rate) would lapse. Assuming the 15% Discount to 90 Day VWAP to 30 September 2026 was \$0.09 (which is equivalent to the floor price in any event) and A\$1,515,152 is converted into Shares at A\$0.09 per Share, then a total of 16,835,022 Shares would be issued to Qeepsake.</p>					
<b>Cash settlement</b>	If the Company cannot issue Shares to Qeepsake then it will be required to settle the Consideration Performance Rights (that have been satisfied) in cash.					
<b>Acceleration of Performance Conditions</b>	<p>The satisfaction of the Performance Conditions will accelerate in a number of circumstances and, in such circumstances, the Performance Conditions will be taken to have been satisfied and 100% of the Apportioned Performance Condition (i.e. US\$1,500,000 worth of Shares (at the FX Rate)) will become immediately due and payable. Such acceleration provisions are as follows:</p> <ol style="list-style-type: none"> <li><b>Change of control:</b> The Company, Tinybeans USA Ltd or any holding company of Tinybeans USA Ltd undergoes a change of control.</li> <li><b>Sale of transfer of the Qeepsake Business Unit:</b> Tinybeans USA Ltd, or any of its related bodies corporate, sells, transfers, assigns, licences or otherwise disposes of all or substantially all of the assets, operations, goodwill or intellectual property of the Qeepsake business.</li> <li><b>Cessation of Qeepsake Business Unit:</b> Tinybeans USA Ltd, or any of its related bodies corporate, cease to carry on, or materially reduces, the manner of operation of the Qeepsake business such that the Qeepsake business is no longer carried on in the ordinary course consistent with past practice (except where it is beyond the reasonable control of Tinybeans USA Ltd or of its related bodies corporate).</li> <li><b>Material breach:</b> The Company or Tinybeans USA Ltd commits a material breach of their obligations, relating to the conduct and operation of the Qeepsake business, that is intended to adversely affect Qeepsake's ability to receive the Apportioned Performance Consideration.</li> <li><b>Insolvency:</b> The Company, Tinybeans USA Ltd or any holding company of Tinybeans USA Ltd becomes insolvent, has an administrator, receiver, manager or liquidator appointed, enters into any arrangement with its creditors, or ceases to carry on business.</li> </ol>					

6. **Separate accounts:** Tinybeans USA Ltd fails to maintain separate and accurate books and records for the Qeepsake business.
7. **Cliff Sirlin Directorship:** If Cliff Sirlin is not appointed as a director of the Company in the later of (a) following the Company's 2025 annual general meeting or (b) upon completion of the acquisition, or if Cliff Sirlin is removed as a director of the Company without Qeepsake's prior written consent.
8. **Unilateral variation:** If there is a unilateral variation to the terms of issue of the Consideration Performance Rights that would prejudice Qeepsake's rights to be issued Shares under the terms of issue.
