FY2025 Annual Report – correction of non-material figures

The Company's 2025 Annual Report, published on 26 November 2025, included inaccurate total shareholder return (TSR) figures for FY21 through FY25 in the graph depicted in figure 3 on page 46. The TSR's listed in the "Reported TSR's" table were incorrect; please refer to the "Corrected TSR's" table below for the accurate figures.

Reported TSR's

| | |
|------|---------|
| FY21 | 2.9% |
| FY22 | 0.9% |
| FY23 | (27.9%) |
| FY24 | 0.2% |
| FY25 | 6.1% |

Corrected TSR's

| | |
|------|---------|
| FY21 | 50.0% |
| FY22 | (36.0%) |
| FY23 | (24.0%) |
| FY24 | (8.5%) |
| FY25 | 9.5% |

The FY25 TSR is noted as '6.1%' on page 39 of the 2025 Annual Report; this should be corrected to '9.5%'. The erroneous figures appear solely in the 2025 Annual Report, whereas the corresponding TSR values in the 2024 Annual Report are accurate.

The correction has no impact on remuneration outcomes. This does not impact any other reported results. Authorised for release by the Company Secretary.

Yours sincerely

Jason Arnheim
Company Secretary
