

EARNINGS GUIDANCE UPGRADE

FY2026 Trading update

National essential power and communications infrastructure provider GenusPlus Group Ltd (ASX: GNP) (Genus or the Company) is pleased to announce an increase in its EBITDA guidance for the FY2026 financial year.

The revised FY2026 guidance incorporates a better than forecast unaudited financial result for the half year to December 2025 from the Energy & Engineering and Services segments with the Infrastructure segment performing as expected.

Based on the Company's latest financial performance and market indicators, Genus anticipates growth in normalised FY2026 EBITDA, compared to normalised FY2025 EBITDA of \$67.4 million, to be circa 35%.

The upgraded guidance, recent contract awards, full year contributions from acquisitions, strong orderbook and increased momentum in industry tailwinds, supports management's confidence in the continued growth and resilience of the business in the current market environment and its continued growth.

Genus remains committed to delivering long-term value to our shareholders and stakeholders. We believe that our continued focus on safety, customer satisfaction and expertise including to support the national energy transition will sustain our growth trajectory and drive shareholder returns.

The Board of the Company has authorised the release of this announcement to the market.
