Executive Chairman Peter Nathan, said:

“On behalf of the Board of Directors, we are pleased to undertake this capital raise as the Company looks to accelerate growth plans in 2026. The Board considered that it was important to provide an opportunity to existing shareholders first, before external capital from other investors are considered. Funds raised from the Entitlement Offer will be used to improve processing efficiency, to fund the execution of the Company’s growth plans in China and for general working capital purposes.”

The Entitlements are non-renounceable and will not be tradeable on ASX or otherwise transferable. Shareholders who do not take up their Entitlements will not receive any value for those Entitlements that they do not take up. Shareholders who are not eligible to receive Entitlements will not receive any value for the Entitlements they would have received had they been eligible.

Eligible Shareholders

The Entitlement Offer will be made to Shareholders whose details appear on AHF’s register of Shareholders as at the Record Date whose registered address is in Australia, New Zealand, Hong Kong or China (**Eligible Shareholders**).

Eligible Shareholders will receive an offer booklet including a personalised entitlement and acceptance form which will provide further details of how to participate in the Entitlement Offer (**Offer Booklet**).

The Directors have determined that it is not practicable to comply with the securities laws of overseas jurisdictions having regard to the number of overseas Shareholders, the number and value of Shares these Shareholders would be offered and the cost of complying with regulatory requirements in each

relevant jurisdiction. Accordingly, the Entitlement Offer is not being extended and Shares will not be issued to Shareholders with a registered address which is outside Australia, New Zealand, Hong Kong or China.

Top-Up Facility

The Entitlement Offer will include a top-up facility under which eligible shareholders who take up their full Entitlement will be invited to apply for additional shares in the Entitlement Offer from a pool of those not taken up by other Eligible Shareholders (**Additional Shares**). There is no guarantee that applicants under the Top-Up Facility will receive all or any of the Additional Shares they apply for under the facility.

Shortfall

If there are any New Shares not taken up pursuant to the Entitlement Offer, including Additional Shares, the Board reserves its right to allocate these Shares at its sole discretion within 3 months from the Closing Date (**Shortfall Offer**).

Based on the Board's assessment of the possible demand under the Shortfall Offer, the Board is reasonably confident that it will be able to place a substantial portion of the shortfall, should one arise, subject to compliance with the Corporations Act and ASX Listing Rules.
