**Novatti Group Limited (ASX:NOV) (Novatti or the Company)**, a payments leader bridging traditional payments and regulated digital finance, is pleased to release its December 2025 quarter (Q2 FY26) Activities Report and Appendix 4C.

#### Commenting on the Company's Q2 FY26 performance, Novatti CEO, Mark Healy, said:

"Q2 marked an important milestone for our core Payments AU/NZ business, delivering a fourth consecutive EBITDA positive quarter<sup>4</sup>. Commercial traction continues to build here,

<sup>1</sup> Excluding corporate overheads.

<sup>2</sup> All figures for FY26 remain unaudited unless stated otherwise and exclude historic liabilities.

<sup>3</sup> Reflects net cash from/used in operating activities (as measured in quarterly 4c).

with Issuing leading the way. The strong performance in Issuing was driven by the targeted H2 FY25 sales campaign that generated quality leads and is now delivering signed deals.

“Supporting the return to growth is the investment from the strategic investor Australian Wealth Advisors Group Ltd (“AWAG”), a subsidiary of Armytage Private, providing \$1m in growth funding via a share placement during the quarter. AWAG Executive Chairman, Lee laFrate, noted at the time of investment that they had been tracking Novatti for some time and have been impressed by the turnaround execution and pivot back to growth. We are already working closely together to unlock Novatti’s commercial potential.”

“AUDC reached the significant milestone of closing its Pre Series A funding round. The circa 45% interest Novatti continues to hold in AUDD’s issuer has now increased in value to \$16m. AUDD continues to gain significant market traction, including \$1.4b in payment volume on the Stellar blockchain alone, a ~40%+ increase in just two months.”

## Operations Update

### Commercial traction

Novatti is seeing strong traction develop within its core Payments AU/NZ market, particularly within Issuing following a targeted sales strategy across H2 FY25.

This traction is flowing through to the financial results for Payments AU/NZ, which reached the milestone of four consecutive quarters of positive EBITDA<sup>5</sup> in Q2 FY26.

Within Payments AU/NZ, Novatti was awarded yet another contract with our existing tier-one telco for commencement in H2 FY26. Issuing has closed two new service contracts, has one contract under review, and a further three proposals in development. A healthy pipeline of new opportunities is also being pursued.

In Q2 FY26 alone, Issuing revenue increased 16% QoQ while transaction volume grew 14% QoQ and 32% YoY.

<sup>5</sup> Refer Note 1

\*Issuing EBITDA excludes corporate overheads

As flagged last quarter, Novatti's commercial strategy is focused on replicating the success of Issuing in market with strengthened sales activities across Payments AU/NZ. Our strategy is to now replicate this successful model in Novatti's other core AU/NZ offerings, and in particular scale the Acquiring business. Existing Acquiring customers have been migrated onto the new omni-channel platform enabling improved customer experience and long term margin expansion.

#### Strategic investor provides \$1m in growth funding

Novatti secured \$1m in growth funding via a share placement to Australian Wealth Advisors Group Ltd, along with its subsidiary Armytage Private.

Armytage Private was established in Melbourne in 1995 and operates a number of Australian equity-focused investment funds. The investment in Novatti followed the successful pivot back to growth in Q4 FY25 and recent strong financial results.

The funding will be allocated towards accelerating Novatti's growth strategy, including:

- Increased marketing in targeted verticals
- Bolstering Acquiring sales
- Product feature enhancements

#### Investments and business portfolio update

AUDC Pty Ltd ("AUDC"), the issuer of Australia's leading AUD-backed stablecoin, AUDD, raised \$5m via its successful Pre-Series A round. As a result, the value of Novatti's ~45% interest increased to \$16m, up from \$7m following AUDC's earlier Seed Round.

The calibre of the round's lead investor, inWelt Holdings AG, and the oversubscription from additional strategic participants, validates the strength of AUDC's governance and market traction.

AUDD's recent milestones include:

- \$1.4b in cumulative payments volume on the Stellar blockchain alone

- Becoming the first Australian Dollar stablecoin to be made available on Coinbase
- AUDD listed on Swyftx - a leading Australian exchange

#### Board strengthened

Two financial services leaders joined Novatti's board as non-executive directors with effect on 26 November 2025. Each of them also joined as members of the Company's Audit and Risk Committee.

Chris Ryan joined with over 30 years' experience as a financial services executive and board member across APAC. This includes senior roles at HSBC, ING, Fidelity, Perpetual, and AXA, among others. He is currently Chairman and CEO of First Harbour Capital Partners, as well as Deputy Chair of AXA for the China region, and a member of the investment committee at Armytage Private.

Tom Ng also joined with over 25 years' experience across Australian and international markets, including senior roles at Moelis Australia (MA Financial Group) and Credit Suisse. He now focuses on Australia's fintech, payments, and lending ecosystems, and is currently working closely with Novatti's CEO on scaling M&A strategy and opportunities.

Killian Murphy resigned as a non-executive director of Novatti, resigning with effect on 26 November 2025. The Company thanks Killian for his contributions during the past years and wishes him well in his future endeavours.

#### Listing Rule 4.7C Disclosure
