<sup>[1]</sup> Cautionary statement: The foreign estimate and foreign exploration results in this term sheet were first released by the Company in an announcement titled “Option to Acquire Major Antimony and Gold Project” on 9 December 2024 (“Announcement”) and are not reported in accordance with the JORC Code 2012. A competent person has not done sufficient work to classify the foreign estimate as a Mineral Resource, or disclose the foreign exploration results, in accordance with the JORC Code 2012. It is uncertain that following evaluation and/or further exploration work the foreign estimate will be able to be reported in accordance with the JORC Code 2012, and it is possible that following further evaluation and/or exploration work that the confidence in the reported foreign exploration results may be reduced when reported under the JORC Code 2012. The Company confirms that the information provided in the term sheet continues to apply and has not materially changed.

Krakatoa Resources Limited (**ASX: KTA**) (“**Krakatoa**” or “**the Company**”) is pleased to announce it has received firm commitments to raise \$1.25 million (before costs) via a placement of 138,888,889 new fully paid ordinary shares (“**New Shares**”) at an issue price of \$0.009 per New Share (“**Placement**”). Subject to shareholder approval, Placement participants will also receive one free-attaching quoted option (ASX: KTAOD) for every two New Shares subscribed for, exercisable at \$0.02 and expiring on 29 September 2028 (“**Placement Options**”).

### Use of Funds

Proceeds from the Placement will be applied towards:

- Advance geological modelling to prepare for the Phase 2 drilling program at Zopkhito, expected to commence in Q2 2026
- Exploration activities focused on resource growth, validation and conversion of the historical foreign resource
- Commence metallurgical studies to support future development studies;
- General working capital

**Executive Chairman of Krakatoa Resources, Colin Locke commented on the Placement,**

*"The strong support for this Placement follows the recent drilling results, which confirmed high-grade antimony and gold mineralisation, validating the historical data across the Zopkhito system. The Placement will enable Krakatoa to advance its exploration plans in 2026.*

*We thank our Lead Managers, Ignite Capital and GBA Capital, for their professional corporate services. We also welcome new shareholders to the register and thank existing shareholders for their ongoing support. "*

**Placement Overview**

The Placement involves the issue of 138,888,889 New Shares to new and existing institutional and sophisticated investors at an issue price of \$0.009 per New Share to raise a total of \$1.25 million (before costs), representing approximately 13% of the Company's existing fully paid ordinary shares on issue. The New Shares will be issued utilising available placement capacity under ASX Listing Rule 7.1.

The New Shares will be listed on ASX and rank equally with existing fully paid ordinary shares. Shares issued upon exercise of Placement Options will also rank equally with existing fully paid ordinary shares.

Ignite Equity Pty Ltd and GBA Capital Pty Ltd acted as Joint Lead Managers for the Placement. The Joint Lead Managers will receive an aggregate 6% fee on funds raised under the Placement, in addition to 35,000,000 quoted options on the same terms as the Placement Options ("Lead Manager Options").

The Placement Options and Lead Manager Options will be subject to shareholder approval at the upcoming General Meeting.
