### **(b) Capital management**

When managing capital, management's objective is to ensure the entity continues as a going concern as well as to maintain optimal returns to shareholders and benefits for other stakeholders. Management also aims to maintain a capital structure that ensures the lowest cost of capital available to the entity. Management is constantly adjusting the capital structure to take advantage of favourable costs of capital or high returns on assets. The Company defines its capital as the total funds under management, being \$48,629,000 at 31 December 2025 (30 June 2025: \$41,874,000), including equities and cash reserves. The Company does not have any additional externally imposed capital requirements however has as a goal the ability to continue to grow assets under management and maintain a sustainable dividend return to shareholders. To assist with meeting its internal guidelines, Katana Asset Management Ltd holds regular Investment Committee meetings to assess the equity portfolio.

## **10. Related party transactions**

### **(a) Directors**

The names of the persons who were Directors of Katana Capital Limited at any time during the half-year and of this report are as follows: Mr Dalton Gooding, Mr Ben Laird, and Mr Giuliano Sala Tenna.

### **(b) Related party transactions**

All related party transactions are made at arm's length on normal commercial terms and conditions. Outstanding balances at half-year end are unsecured and settlement occurs in cash.

Related parties during the year are outlined below:

Dalton Gooding is a partner of Gooding Partners Chartered Accounting firm and as part of providing taxation advisory services, Gooding Partners received \$19,470 (2024: \$21,120) for tax services provided.

## **11. Financial risk management**

### **(a) Fair value measurements**

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The Company uses various methods in estimating the fair value of a financial instrument. The methods comprise:

- (a) Level 1 - quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 - valuation technique for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- (c) Level 3 - valuation technique for which the lowest level input that is significant to the fair value movement that is not observable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

**11. Financial Risk Management (continued)**

**(a) Fair value measurements (continued)**

The following table presents the Company's assets and liabilities measured and recognised at fair value at 31 December 2025 and 30 June 2025.

	<b>31 December 2025</b>			
	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
Investment in listed equities	48,087	-	-	48,087
Investment in unit trusts	2,258	-	-	2,258

Investment in unit trusts	778	-	-	778
<b>Total</b>	<b>40,957</b>	-	-	<b>40,957</b>

The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and trading and available for sale securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the Company is the current bid price. These instruments are included in Level 1.

The fair value of financial instruments that are not traded in an active market (for example, unlisted investments) is determined using valuation techniques. The Company uses a variety of methods and makes assumptions that are based on market conditions existing at the end of each reporting period. Quoted market prices or dealer quotes for similar instruments are used to estimate fair value for long-term debt for disclosure purposes. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments. In determining the fair value of the securities the company holds in unlisted investments, the company refers to the Net Tangible Assets of that investment, recent trading in units of the investment and all other market factors associated with the unlisted investment.

Financial assets at fair value through profit or loss are dependent on the change of input variables used to determine fair value, namely changes in market prices of equity securities. The majority of the investments are invested in shares of companies listed on the Australian Stock Exchange which are valued based on market observable information.

Financial assets at fair value through profit or loss are dependent on the change of input variables used to determine fair value, namely changes in market prices of equity securities. The majority of the investments are invested in shares of companies listed on the Australian Stock Exchange which are valued based on market observable information.

There were no transfers between level 1 and level 2 during the period.

**12. Segment information**

For management purposes, the Company is organised into one main operating segment, which invests in equity securities, debt instruments, and related derivatives. All of the Company's activities are interrelated, and each activity is dependent on the others. Accordingly, all material operating disclosures are based upon analysis of the Company as one segment. The financial results from this segment are equivalent to the financial statements of the Company as a whole.

The Company operates from one geographic location, being Australia, from where its investing activities are managed.

---

**13. Segment information (continued)**

The Company does not derive revenue of more than 10% from any one of its investments held.

**14. Events occurring after reporting date**

Other than the events below, the Directors are not aware of any matter or circumstance that has materially or may materially affect the operations of the company or the results of those operations, or the state of affairs of the company in subsequent financial years

On 02 January 2026, the Company announced a 0.5 cent per share dividend and was paid on 30 January 2026.

**15. Commitments and contingencies**

There are no outstanding contingent liabilities or commitments as at 31 December 2025 (30 June 2024: Nil).

## Directors' declaration

In accordance with a resolution of the directors of Katana Capital Limited, I state that:

- (a) The financial statements and notes of the entity set out on pages 4 to 13 are in accordance with the *Corporations Act 2001*, including:
  - (i) Giving a true and fair view of the financial position as at 31 December 2025 and of its performance for the half-year ended on that date of the consolidated entity.
  - (ii) Complying with *Australian Accounting Standards* (including the Australian Accounting Interpretations) and the *Corporations Regulations 2001*;
- (b) There are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.
- (c) Signed in accordance with a resolution of directors made pursuant to section 303(5)(a) of the *Corporations Act 2001* for the half-year ended 31 December 2025.

## INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Katana Capital Limited

### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the half-year financial report of Katana Capital Limited (the Company), which comprises the statement of financial position as at 31 December 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Company does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Company's financial position as at 31 December 2025 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

#### Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

**Auditor's responsibility for the review of the financial report**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2025 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
