**AI MEDIA**

Founded in Australia in 2003, technology company AI-Media is a global leader in live and recorded captioning, transcription and translation solutions. The Company helps the world's leading broadcasters, enterprises and government agencies ensure high accuracy, secure and cost-effective captioning via its AI-powered LEXI automatic captioning solution. LEXI captions are delivered to millions of screens worldwide via AI-Media's range of captioning encoders and its iCap Cloud Network – the world's largest, most secure caption delivery network. Globally, AI-Media delivers over 10 million minutes of live and recorded media monthly. AI-Media (ASX: AIM) commenced trading on the ASX on 15 September 2020.
