### Operating and Financial Review

#### Company Overview and Principal Activities

Pengana International Equities Limited is an Australian Listed Investment Company whose principal operating activity is investing its Australian capital into ethically screened businesses that are listed on global exchanges.

The Company is listed on the Australian Securities Exchange under the code PIA.

Pengana Investment Management Limited, a subsidiary of Pengana Capital Group, is the Investment Manager of PIA and it provides investment management, financial management and marketing support. The Investment Manager has appointed New Jersey based Harding Loevner LP ("Harding Loevner") as the investment team for PIA.

#### Operating results

Net profit after tax was \$4.6 million for the half year, reflecting a Total Portfolio Return (TPR) of 1.6% (net of fees and expenses) versus the MSCI World TR Index (AUD) return of 8.7%. This compares to net profit after tax of \$26.9 million in the corresponding prior period, which benefited from stronger global equity markets (MSCI World TR Index (AUD) +14.6% performance) and a TPR of 11.0%. Performance figures refer to the movement in net assets per share, reversing out the payment of dividends and before tax paid or accrued on realised and unrealised gains.

During the reporting period, PIA incurred extra-ordinary expenses relating to external advisory, consulting and legal services for the strategic proposal and other matters presented to the Annual General Meeting in October 2025. These costs are recognised as expenses within the Statement of Profit or Loss and Other Comprehensive Income and total \$875,154 for the period.

The Board suspended the on-market buy-back supporting new shares issued under the Distribution Reinvestment Plan pending completion of the strategic review. The Board will consider whether the buy-back should be reimplemented following completion of the review. 45,000 shares were bought on-market prior to the suspension.

#### Significant changes in the state of affairs

On 21 October 2025, the Board of Directors resolved to undertake a strategic review of the Company and BJO consulting have been appointed to review and provide detailed analysis of each proposal received. This review is ongoing and will be announced once finalised.

There were no other significant changes in the state of affairs during the half-year.

## Directors' report (continued)

### Dividends

On 20 October 2025, the Board declared the first quarterly interim dividend of 1.35 cents per share fully franked at 25%, for financial year 2025/2026 in line with the Company's stated dividend policy (2024/2025: 1.35 cents per share, fully franked at 30%).

The DRP was operational during the period for both the final dividend for 2024/2025 and the first quarterly dividend and 424,852 new shares were issued.

On 21 January 2026, the Board declared the second quarterly interim dividend of 1.40 cents per share fully franked at 25% for financial year 2025/2026 in line with the Company's stated dividend policy (2024/2025: 1.35 cents per share, fully franked at 30%). This dividend is not recognised as a liability at 31 December 2025 and will be paid on 16 March 2026.

### Strategy and future outlook

The Company aims to meet its investment objective of generating long-term consistent returns whilst reducing volatility and the risk of losing capital, and to pay a stable stream of fully franked dividends to our shareholders.

The Board seeks to improve communication with shareholders, deploy value creating capital management strategies and be disciplined in managing the Company's expenses.

The Company's portfolio remains primarily invested in equities and given the volatility in investment markets it is extremely difficult to forecast profit for the coming year. The Company provides weekly NTA announcements to the Australian Securities Exchange (ASX), and they can also be accessed via the website of the Company's Investment Manager: [www.pengana.com](http://www.pengana.com)

Whilst the portfolio is currently unhedged the Company may use forward foreign exchange contracts for risk management purposes.

### Events subsequent to balance sheet date

On 21 January 2026, the Board declared the second quarterly interim dividend of 1.40 cents per share fully franked at 25% for financial year 2025/2026. This dividend is not recognised as a liability at 31 December 2025 and has an ex-date of 27 February 2026 and will be paid on 16 March 2026.

The after tax NTA per share of the Company at 6 February 2026 was \$1.32, a decrease of 2.94% or \$0.04 from the \$1.36 recorded as at 31 December 2025.

On 16 February 2026, Frank Gooch announced his intention to retire from the Board of PIA with effect at the close of business on 16 February 2026. The Directors of PIA have resolved to appoint Brett Jollie to be the new Chair of PIA, subject to the resignation of Frank Gooch.

Other than the above, the Directors are not aware of any other matter or circumstance not otherwise dealt within this financial report that has significantly or may significantly affect the Company's operations, the results of those operations or the Company's state of affairs in future years.

This interim financial report is for Pengana International Equities Limited (the "Company") for the half-year ended 31 December 2025. The Company is a for profit entity limited by shares, incorporated and domiciled in Australia, whose shares are publicly traded.

The financial report for the half-year ended 31 December 2025 is a general purpose financial report and has been prepared in accordance with AASB 134: *Interim Financial Reporting* and the *Corporations Act 2001*. 	<b>2025</b>	2024
	<b>\$'000</b>	\$'000
<b>a. Income tax expense attributable for the half-year differs from the prima facie amount payable on the operating profit. The difference is reconciled as follows:</b>		
Profit before income tax expense	5,960	38,271
Prima facie income tax expense on net profit at 25.0% (2024: 30.0%)	(1,490)	(11,481)
Foreign withholding tax	154	186
Adjustments to prior period	(13)	(33)
	<b>(1,349)</b>	<b>(11,328)</b>
<b>b. The major components of income tax expense are:</b>		
Current income tax benefit/(expense)	(691)	-
Deferred income tax benefit/(expense)	(658)	(11,328)
	<b>(1,349)</b>	<b>(11,328)</b>
<b>c. Deferred tax liabilities relate to the following:</b>		
Net unrealised gain on investments	11,645	12,974
Other temporary differences	41	87
	<b>11,686</b>	<b>13,061</b>
<b>d. Deferred tax assets relate to the following:</b>		
Other temporary differences	42	65
	<b>42</b>	<b>65</b>

Under the provisions of the tax legislation, a company will qualify for the lower company tax rate of 25% for the financial year 2025/2026 if it is a "base rate entity" for the income year. A company is a "base rate entity" for an income year only if:

- No more than 80% of the company's assessable income for the year is passive income; and
- The aggregated turnover of the company is less than the relevant aggregate turnover (\$50m for the financial year 2025/2026).

The Company's "aggregated turnover" for the financial year 2025/2026 is expected to be under \$50m, however this may be subject to change between 31 December 2025 and 30 June 2026. In the event that this is more than \$50m and more than 80% of the company's assessable income for the year is passive income, the tax rate for financial year 2025/2026 will be 30%.

As the Company's "aggregated turnover" for the financial year 2024/2025 was less than \$50 million, the Company satisfied the definition of base rate entity for the financial year 2024/2025. The tax rate for financial year 2024/2025 was 25%.

**Shape the future  
with confidence**

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
