

**ASX Announcement**

**17 February 2026**

**CHANGE OF SHARE REGISTRY DETAILS**

**Advanced Braking Technology Ltd** (ASX: **ABV**, “Advanced Braking, the “Company”) advises that as of Monday 16 February 2026, Advanced Braking Technology Ltd has changed its provider for shareholder registry services from Computershare Investor Services Pty Ltd to Automic Pty Ltd (“Automic”).

Our new Share registry contact details are as follows:

**Automic**  
**Level 5, 191 St Georges Tce**  
**Perth WA 6000**

GPO Box 5193  
Sydney NSW 2001

Shareholders can easily and efficiently manage their holdings via Automic’s secure and highly accessible online investor portal. The portal provides, among other things, an online interface to update and manage shareholder details, view balances and transaction history.

Shareholder registration online

Shareholders that are not already a user of Automic’s investor portal may visit <https://investor.automic.com.au> and sign up to register their details using the two simple steps provided in the setup process.

Shareholders with any queries in relation to their Advanced Braking Technology Ltd holding are advised to contact Automic at [hello@automicgroup.com.au](mailto:hello@automicgroup.com.au) or on 1300 288 664 (within Australia) or +61 2 9698 5414 (outside Australia).

## **About Advanced Braking Technology**

Advanced Braking Technology Ltd (ABT) designs, manufactures and distributes its innovative braking solutions worldwide. From its head office in Perth, Western Australia, ABT continues to develop its product portfolio for a diverse range of industries that have a strong requirement for safety and environmental responsibility, including the mining, defence, civil construction and waste management industries.

ABT's innovative braking solutions are well known for their unparalleled safety, improved productivity, zero emissions and durability in the world's harshest conditions. As its reputation has grown, demand for ABT's brakes has expanded internationally with its braking solutions being used in all seven continents across the globe.
