About Janison

Janison is an Australian-owned education technology pioneer that supports organisations globally with leading online assessment solutions. For over 20 years, we've worked with governments, educators, and corporations to transform the way learning is assessed—making it more accessible, efficient, and impactful.

Our technology powers some of the world's largest and most trusted education programs, including NAPLAN Online, delivered in partnership with Education Services Australia on behalf of the Australian

Government. With deep domain expertise and a track record of reliable delivery at scale, Janison enables seamless digital assessments for millions of learners worldwide. We are committed to helping educators and institutions deliver fair, effective and future-ready assessment experiences.
