WAM Active Entitlement Offer, Top-Up Facility, Shortfall Offer and Placement closes oversubscribed, raising \$70.7 million

The WAM Active Limited (ASX: WAA) 2 for 3 pro-rata non-renounceable Entitlement Offer (Entitlement Offer) closed oversubscribed on Friday 20 February 2026, following strong support from existing shareholders who contributed more than half of the capital raised.

All shareholders who participated in the Entitlement Offer and Top-Up Facility will receive their full application.

“We appreciate the support received from WAM Active shareholders, with the Entitlement Offer raising a total of \$70.7 million. This increases the size and scale of the Company by over 84%, taking the WAM Active assets to more than \$154.8 million, to the benefit of all shareholders.”

Geoff Wilson AO
WAM Active Chairman

“The WAM Active investment team thank shareholders for their trust and support. We remain focused on continuing to deliver returns for our shareholders by capitalising on the many opportunities we have identified.”

WAM Active Lead Portfolio Manager

The oversubscribed Entitlement Offer raised a total of \$70.7 million, with the Entitlement Offer and Top-Up Facility raising \$25.3 million and the Shortfall Offer and Placement raising an expected \$45.4 million. The Directors of WAM Active who were eligible to participate each applied for their full entitlement.

As announced to the ASX on 30 January 2026, in light of the strong demand from the Shortfall Offer bookbuild which was oversubscribed, with demand exceeding the total Entitlement Offer, the Company is also undertaking an approximately \$19.3 million institutional placement (Placement). This is to enable further participation for investors interested in the bookbuild, who will otherwise be subject to scale back.

The Placement is pursuant to the Company's available placement capacity under ASX Listing Rule 7.1 and utilising the Company's additional 10% placement capacity approved by shareholders at the most recent AGM under ASX Listing Rule 7.1A. The price per New Share under the Placement is at the same price as the Entitlement Offer, and any shares issued under the Placement will rank equally with existing WAM Active shares from their date of issue.

The Shortfall Offer will close today at 12:00pm (Sydney time) and the results of the Shortfall Offer and Placement will be announced on Wednesday 25 February 2026.

The New Shares issued under the Entitlement Offer and Top-Up Facility are expected to be issued on Friday 27 February 2026 and the New Shares issued under the Shortfall Offer and Placement are expected to be issued on Monday 2 March 2026.

The Company's larger capital base increases the liquidity of the shares and its relevance in the market by improving the prospect of broker and research coverage, increasing interest from financial planners and gaining additional access to market opportunities. The increased size will also reduce the fixed expense ratio of the Company to the benefit of all shareholders.

The proceeds will be invested in accordance with the Company's proven and flexible investment approach, which focuses on identifying market mispricing opportunities in the Australian equity market and has led to strong investment portfolio outperformance since inception. Current market conditions present attractive trading opportunities for WAM Active.
