Notes to the Condensed Consolidated Financial Statements for the Half-Year Ended 31 December 2025

1. Material Accounting Policies

Statement of compliance

The half-year financial report is a general-purpose financial report prepared in accordance with the *Corporations Act 2001* and AASB 134 'Interim Financial Reporting'. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'. The half-year financial report does not include notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report.

Basis of preparation

The condensed consolidated financial statements have been prepared on the basis of historical cost, except for the revaluation of certain financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The company is a company of the kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, dated 24 March 2016, and in accordance with that Corporations Instrument amounts in the financial report are rounded off to the nearest thousand dollars, unless otherwise indicated.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the company's 2025 annual financial report for the financial year ended 30 June 2025.

The Group has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to their operations and effective for the current reporting period.

2. Segment Information

Identification of reportable segments

The Group has identified its operating segments based on the internal reports that are reviewed and used by the Managing Director (the chief operating decision maker) in assessing performance and in determining the allocation of resources.

The operating segments are identified by management based on the nature of the services provided. Discrete financial information about each of these operating businesses is reported to the Managing Director on at least a monthly basis.

The reportable segments are based on aggregated operating segments determined by the similarity of the services provided, as these are the sources of the Group's major risks and have the most effect on the rates of return.

The reportable segments identified are unchanged from those identified previously.

EMBELTON LIMITED and its Controlled Entities

Directors' Report

Your Directors present their report on the consolidated entity of Embelton Limited and controlled entities for the half-year ended 31 December 2025.

In order to comply with the provisions of the Corporations Act 2001, the Directors report as follows:

The Directors in office during and since the end of the half-year are:

Mr G R Embelton (Chairman)
Mr J R Baldwin (Non-executive Director)
Mr J J Embelton (Managing Director)

Review of Operations

First-half revenue increased, primarily due to contract awards secured late in the prior financial year. The period saw subdued construction activity in our home state of Victoria, but this was offset by growth in other regions, contributing to an overall 27% improvement in revenue compared with the prior year. And whilst the accompanying 11% growth in profit is pleasing, it was unavoidably constrained by the continuing pressure of increasing costs across most areas of operation.

A key focus this year has been an ongoing review of the less well performing segments of the business, with the aim of prioritising those with more promising prospects for growth. And as we begin the second half, the forward project pipeline does provide confidence that current performance can be sustained should stable market conditions continue.

Auditor's Independence Declaration

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF EMBELTON LIMITED
ABN 51 004 401 496**Report on the Half-year Financial Report**

We have reviewed the accompanying half-year financial report of Embelton Limited (the "Company") and its subsidiaries (the "Group"), which comprises the condensed consolidated statement of financial position as at 31 December 2025, the condensed consolidated statement of profit or loss, the condensed consolidated statement of comprehensive income, the condensed consolidated statement of changes in equity and the condensed consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of material accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Half-year Financial Report

The directors of Embelton Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of Embelton Limited's financial position as at 31 December 2025 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Embelton Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Embelton Limited is not in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of Embelton Limited's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
