Directors' Report

Principal Activities

Service Stream is an essential services provider in Australia. The Group designs, constructs, operates and maintains critical infrastructure networks across the Telecommunications, Utilities, Transport and Defence sectors. Services are provided on behalf of government, government related entities, private asset owners and network operators.

Review of Operations

Information in the Operating and Financial Review is based on the Consolidated Interim Financial Statements. Non-IFRS measures presented are used internally by management to assess the performance of the business and make decisions on the allocation of resources.

A full review of operations of the Group is contained in the Australian Securities Exchange announcement dated 25 February 2026.

Key financial highlights for the half-year ended 31 December 2025 include:

- Revenue of \$1,144m, a decrease of \$78.7m (6.4%) compared to first half FY25, primarily due to the Telecommunications segment cycling off a strong 1H25 with a number of work programs completed, and transition to new contracts during 1H26.
- Underlying EBITDA from Operations was \$75.3m (up 2.3%). The Utilities segment had a strong half, reflecting ongoing strategic repositioning, disciplined execution and continued margin uplift. The Transport segment uplift is due to non-recurring contract mobilisation costs incurred in the prior comparative period. These gains were partially offset by lower Telco earnings due to the revenue drivers outlined above.
- NPAT-A was \$36.6m (down 2.9%) for the half year due to prior comparative benefit from a one-off tax refund of \$2.7m.
- Operating cash flow for the period of \$63.6m, underpinned by strong operational cash conversion. This was reduced by higher tax payments which included the FY25 final instalment payment of \$26m, and increased investing cash flows to support the mobilisation of the new Defence PAS contract and IT system investments.

Independent auditor's review report to the members of Service Stream Limited

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of Service Stream Limited (the Company) and the entities it controlled during the half-year (together the Group), which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of changes in equity, consolidated statement of cash flows, consolidated statement of profit or loss and other comprehensive income, for the half-year ended on that date, selected explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Service Stream Limited does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Group's financial position as at 31 December 2025 and of its performance for the half-year ended on that date;
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity (ASRE 2410). Our responsibilities are further described in the Auditor's responsibilities for the review of the half-year financial report section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. Responsibilities of the directors for the half-year financial report

The directors of the Company are responsible for the preparation of the half-year financial report, in accordance with Australian Accounting Standards and the *Corporations Act 2001*, including giving a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement whether due to fraud or error.

Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2025 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
