**Operational and Strategic Updates**

HITIQ Limited (ASX: HIQ), a global sports technology company specialising in concussion management and head impact monitoring, made significant progress during the half year ended 31 December 2025 as it transitioned from technology validation to commercial execution. The period was characterised by expansion into consumer retail, international market entry, major research validation milestones, and the execution of strategic partnerships across sport, insurance and research sectors.

Key operational and strategic developments during the period included:

**Olympic and International Validation:** Secured an order for 100 PROTEQT™ instrumented mouthguards for deployment at the Winter Olympics, representing HITIQ's first Olympic-level deployment and a major international validation milestone.

**Independent Medical Assessment:** Commencement of independent assessment of PROTEQT™ technology by the International Federation of Sports Medicine (FIMS) for potential global adoption across high-risk and extreme sports.

**North American Market Entry:** Launched PROTEQT™ North American market strategy through an exclusive Canadian distribution partnership, providing immediate access to the Canadian collision-sport market and a pathway into the United States.

**Retail Commercialisation:** Entered national retail distribution with Rebel Sport, Australia's leading sporting goods retailer, marking HITIQ's first major consumer retail rollout.

**Research and Institutional Validation:** PROTEQT™ selected for inclusion in a major Australian Research Council (ARC) funded brain injury research program, with additional US collegiate research partnerships including Smith College Women's Rugby.

**Insurance Integration:** Entered a world-first exclusive partnership with Sportscover to integrate PROTEQT™ into sports insurance offerings, commencing with Hockey Australia.

**Commercial and Market Expansion**

During H1 FY26, HITIQ continued to execute its multi-channel go-to-market strategy across elite sport, community sport, education and consumer markets.

**Institutional and Elite Sport:** PROTEQT™ deployments progressed across international elite and institutional environments, including Olympic-level programs, research institutions and collegiate sport in North America.

**Consumer and Retail Markets:** Commenced national retail distribution with Rebel Sport in Australia, significantly expanding access to PROTEQT™ for grassroots and community athletes. We will be in store in February 2026. In addition, HITIQ successfully launched PROTEQT™ into the UK consumer market, integrating with NHS 111 telehealth services.

**Geographic Expansion:** Advanced international expansion across the UK, Canada and the United States, establishing scalable pathways for broader global rollout.

The Company's PROTEQT™ platform remains central to its commercial strategy, combining instrumented mouthguards with proprietary software and analytics to support real-time and post-event concussion monitoring.

### **Product, Technology and IP**

HITIQ continued to invest in product development and intellectual property to strengthen its competitive advantage.

The Company continues to focus on delivering clinically relevant, reliable data solutions that meet the evolving needs of sports governing bodies, medical practitioners and athletes.

### **Funding, Grants and Capital Management**

During the reporting period, HITIQ undertook a range of capital management and funding activities to support operations and planned growth initiatives.

**Equity Raising:** Successfully completed capital raisings during the period, including a rights issue and subsequent oversubscribed placement, raising approximately A\$500,000 (September 2025 quarter) and a further approximately A\$925,000 (December 2025 quarter) before costs.

**Debt and Loan Facilities:** Maintained its Convertible Note facility with Harmil Angel Investments and R&D loan facilities, and entered into a new A\$1.4 million RDTI loan facility with No Bull Health Pty Ltd for FY26, with drawdowns occurring during the period.

**Government and Research Funding:** Secured participation in a major ARC-funded brain injury research program, reinforcing HITIQ's scientific credibility and supporting long-term commercial adoption.

### **Corporate Governance**

The Board remains focused on maintaining strong governance practices appropriate for an ASX-listed technology company.

### **Financial Position**

Cash reserves as at 31 December 2025: **A\$359,168.**

The Company has taken steps during the period to rebuild its business strategy and build its manufacturing capability in order to meet the potential future demand for its consumer product.

The Company is pleased to have the continued support of Harmil Angel Investments as a strategic shareholder. Harmil will continue to guide the Company's future growth plan.

**Matters subsequent to the end of the financial half-year**

Subsequent to 31 December 2025, the Company ratified a mandate and completed the issue of ordinary shares to satisfy fees payable under a corporate advisory arrangement. The shares were issued following execution and filing of the relevant circular after the reporting date. The transaction did not give rise to any adjustment to the amounts recognised in the half-year financial statements.

On 31 January 2026, James Barrie tendered his resignation as a Director and Company Secretary with immediate effect.

No other matter or circumstance has arisen since 31 December 2025 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial years.

**Auditor's independence declaration**

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

On behalf of the directors

**Note 1. Material accounting policy information**

These general purpose financial statements for the interim half-year reporting period ended 31 December 2025 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2025 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

**Going concern**

The financial report has been prepared on the going concern basis, which contemplates the continuity of normal business activity and the realisation of assets and the settlement of liabilities in the normal course of business.

For the half-year ended 31 December 2025, the Consolidated entity incurred a net loss after tax of \$2,898,554 and experienced net cash outflows from operating activities of \$3,141,411. As at 31 December 2025 the Consolidated entity had a net deficiency of current assets relative to current liabilities of \$5,345,187.

The directors have prepared a cash flow forecast, which indicates that the Consolidated entity will be required to obtain additional capital in order to have sufficient cash flows to meet all commitments and working capital requirements for the 12-month period from the date of signing this financial report.

The directors also considered the other following matters in their cashflow forecast;

- The forecast includes proceeds from expected capital raising activities. The directors of the Consolidated entity believe that such capital raising activities will eventuate based upon the Consolidated entity's track record of successfully issuing capital.
- Continuing to grow its revenues from existing and new customers from contracts and opportunities that have been identified and, where material, announced to the market;
- The Consolidated entity can continue to access its research and development tax incentive from the ATO, this can also be brought forward by way of finance facilities. The FY2025 claim has been used to retire the existing facilities in place.
- Key management personnel have written to the Consolidated entity advising that they are willing to defer amounts owing to them as at reporting date, if necessary, to ensure that the Consolidated entity has adequate reserves of available working capital.
- The Consolidated entity has received a letter of support from Harmil, the holder of its convertible note and loan facilities, expressing their intent to not call on these balances for the 12 months from the date of these financial statements.

The ability of the company to continue as a going concern is principally dependent upon the ability of the company to secure funds by raising capital from equity markets and managing cash flow in line with the available funds. These conditions indicate that a material uncertainty exists which may cast significant doubt about the Consolidated entity's ability to continue as a going concern and, therefore, it may be unable to realise its assets and discharge its liabilities in the normal course of business. The financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts or to the amount and classification of liabilities that might result should the company be unable to continue as a going concern and meet its debt when they fall due.

Based on the cash flow forecasts and other factors referred to above, the directors are satisfied that the going concern basis of preparation is appropriate. In particular, given the company's history of raising capital to date, the directors are confident of the company's ability to raise additional funds as and when they are required

**Note 2. Operating segments**

Based on the quantitative thresholds included in AASB 8 the consolidated entity has one operating segment, being mouthguard and software sales and trial revenue in various locations, primarily Oceania.

The consolidated entity has issued three tranches of convertible notes as set out below. The notes have a conversion price at the election of the note holder to a 10% discount of the prevailing 7-day VWAP of the Company's shares at the date of conversions and if redeemed prior to completion of the term a 10% early redemption fee will apply. Interest may capitalize into the loan and also be subject to the same conversion terms and conditions.

The conversion options in these tranches of convertible notes have been valued applying a Black-Scholes methodology and are considered to be Level 2 hierarchy valuations. There was no change in this hierarchy in the period.

On 6 February 2026 in an Extraordinary General Meeting, it was resolved that Tranches 2-4 would be consolidated into one outstanding convertible loan note, with a maturity date of 15th December 2026 on the same aforesaid terms and conditions.

## Independent auditor's review report to the members of HITIQ Limited

### Report on the half-year financial report

#### Our conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of HITIQ Limited (the Company), and its controlled entities (together, the Group) does not comply with the *Corporations Act 2001*, including:

- giving a true and fair view of the Group's financial position as at 31 December 2025 and of its financial performance for the half-year then ended; and
- complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### What was reviewed?

We have reviewed the accompanying half-year financial report of the Group, which comprises:

- the consolidated statement of financial position as at 31 December 2025,
- the consolidated statement of profit or loss and other comprehensive income for the half-year then ended,
- the consolidated statement of changes in equity for the half-year then ended,
- the consolidated statement of cash flows for the half-year then ended,
- notes to the financial statements, including material accounting policy information, and
- the directors' declaration.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's responsibilities for the review of the financial report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

## Material Uncertainty Related to Going Concern

We draw attention to Note 1 within the half-year financial report, which states that the Group incurred a net loss after tax of \$2,898,554 and net cash outflows from operations of \$1,841,851 for the half-year ended 31 December 2025. As at 31 December 2025, the company had a net deficiency of current assets relative to current liabilities of \$5,345,187. As stated in Note 1, these events and conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

## Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Auditor's responsibilities for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
