Verbrec Limited (ASX : VBC) (**Verbrec** or the **Company**) is an engineering business providing a comprehensive range of integrated services from design, through construction to ongoing asset management, operations and maintenance. We serve the mining, energy, water and defence markets across Australia and the Pacific.

Verbrec today announces its financial results for the half-year ended 31 December 2025.

### Financial Results Commentary

Verbrec produced a half-year EBITDA of \$11.3 million in the period (H1 FY2025: \$3.1 million). The proceeds of the divestment of Competency Training increased Verbrec's net cash position to \$11.6 million (30-June-2025: \$2.3 million).

		PROFIT & LOSS (\$'000)	
		31-DEC-2025	31-DEC-2024
CONTINUING OPERATIONS	Revenue	46,137	38,905
	Gross Profit	15,343	13,359
	Gross Margin (%)	33.3%	34.3%
	Continuing Operations EBITDA	<b>4,034</b>	<b>1,674</b>
	Continuing Operations EBITDA Margin (%)	<b>8.7%</b>	<b>4.3%</b>
DISCONTINUED OPERATIONS	Gain from sale of business	6,763	-
	Profit from discontinued business operations in H1 FY2026	300	1,195

	Discontinued operations Finance Expense	54	12
	Discontinued operations Depreciation & Amortisation	192	186
	<b>EBITDA</b>	<b>11,343</b>	<b>3,067</b>

On a continuing operations basis, excluding operational contributions and one-off gains from the sale of Competency Training, the Company produced \$4.0 million EBITDA (H1 FY2025: \$1.7 million).

Verbrec's continuing operations Revenue increased by more than 18% compared to the prior corresponding period at \$46.1 million (H1 FY2025: \$38.9 million).

### Acquisition of Alliance Automation

The balance sheet funded acquisition of Alliance Automation was completed in December 2025 and has been transformational for the Company.

On a pro-forma basis, the transaction is anticipated to add over \$60 million in annual revenue and a combined group of approximately 700 team members across 14 regional locations in Australia and New Zealand.

Founded in 2010, Alliance Automation is one of Australia's largest independent providers of digital transformation, cyber security and industrial automation services, with a developing capability in machine learning and artificial intelligence (AI).

The transaction significantly enhances Verbrec's digital capability and provides opportunities to grow revenues through an expanded service offering to a common client base.

### Verbrec positioned for Growth

Verbrec is positioned for growth driven by organic opportunities and synergies from the acquisition of Alliance Automation. Verbrec's net cash position, bolstered by the divestment of Competency Training, provides the opportunity to pursue further strategic acquisitions and growth initiatives.

Verbrec's opportunity pipeline at the end of the calendar year 2025 is \$203 million, up from \$131 million in the prior corresponding half. Trailing 12-month tender win rate is 33.9%. Likewise, Our work in hand has increased by over 75% to \$71 million compared to \$40 million in the prior corresponding half.
