- **\$9M 5-year viewer renewal with Zwanger-Pesiri**
- **Medstar contract renewal to include Visage 7 Cardiology**
- **Transaction based renewal contracts with potential upside**
- **Both renewals negotiated at an increased per transaction fee**

Leading health imaging company Pro Medicus Limited [ASX: PME] today announced its wholly owned U.S. subsidiary, Visage Imaging, Inc., has signed a 5-year contract renewal, including an addition of the new Visage 7 Cardiology Imaging module with MedStar Health (“MedStar”), the largest health system in the Maryland and Washington, D.C. metropolitan region.

Visage Imaging, Inc also signed a 5-year renewal contract with Long Island based Zwanger Pesiri, a large private outpatient radiology provider in the US.

“The Medstar renewal is notable in that MedStar was our first fully cloud deployed customer and has grown considerably since their initial go live”, said Dr Sam Hupert, Pro Medicus CEO. “Renewing this contract, and adding the Cardiology product, confirms our belief that we have the preeminent and most scalable enterprise imaging solution, that is fully cloud native”.

Commenting on the Zwanger- Pesiri renewal, Dr Hupert said “We are very pleased to have played such a key role in Zwanger Pesiri’s growth over the past 10 years.”. “Zwanger-Pesiri have now renewed for a third contract term, re-iterating our belief that our solution provides the best return on investment of any system in the market from both a financial and clinical perspective.”
