TasFoods Limited (TasFoods, ASX:TFL)

KPMG appointed Voluntary Administrators of TasFoods Limited

The Board of Directors of the entities within TasFoods Limited (**ASX:TFL**) ("**TasFoods**" or the "**Group**") has appointed KPMG Australia partners Tim Mableson, David Hardy and Emily Seeckts as joint and several Voluntary Administrators (Administrators).

Following the unsuccessful attempt to sell the Nichols Poultry business, the Board of TasFoods has determined that voluntary administration is now the most appropriate way to restructure the Group. Control of the Group now rests with the Administrators who intend to continue to trade on a business-as-usual basis while options for a going concern sale or recapitalisation are explored.

The Board has taken every step it could to find a buyer for the Nichols Poultry business. We continue to urge assistance from the State and Federal Governments to support the ongoing operation of Tasfoods and our hundreds of staff, suppliers and customers through the administration process.

First statutory meeting of creditors

A first statutory meeting of creditors must be held within eight business days after the administration begins and will take place on 23 March 2026 at 3:00pm AEDT. Meeting notices setting out the time and location for the first meeting of creditors will be distributed to TasFoods's creditors in advance of the meeting.

Interested parties

Parties who are interested in recapitalising and/or acquiring TasFoods or any of its assets are asked to urgently contact the Administrators at tasfoods@kpmg.com.au.
