

Sale of Yallourn Property

Environmental Clean Technologies Limited (ASX: **ECT**) (**ECT** or **Company**) is pleased to announce its that it has entered into an agreement to sell part of the Company's Yallourn Property, located in Victoria's Latrobe Valley for \$1.3 million.

Completion of the sale is conditional on a 30 day due diligence period in favour of the purchaser. The purchaser is an unrelated third party.

The Company acquired the property in 2022 with the intention of developing a hydrogen refinery project at the site. The Company has since shifted its focus, and the Yallourn property has largely been left unused. As noted in its 24 December 2025 ASX announcement, ECT has been actively looking for opportunities to divest the Yallourn property and is pleased to now enter into the binding sale agreement. Funds raised from the sale will be used to continue development of ECT's technologies as it continues to pursue its strategy of building a portfolio of innovation and scalable technologies.
