

ASX Announcement

MLG TO EXTEND ITS PROVISION OF INTEGRATED SITE SERVICES TO WESTGOLD'S MURCHISON OPERATIONS FOR A FURTHER 12 MONTHS

Key Highlights:

- 12-month extension of MLG's integrated site services contract with Westgold.
- Estimated annual revenue contribution of approximately **\$75 million**.
- Services to continue across Westgold's Murchison operations at Cue, Meekatharra and Fortnum.
- Scope includes bulk haulage, road maintenance and ROM management and crusher feed services.

MLG Oz Limited (ASX: MLG) ("MLG" or "the Company") is pleased to advise that it has agreed to extend its provision of integrated site services across the Murchison operations with **Westgold Resources Limited** (ASX|TSX: WGX) ("Westgold") for a further 12 months.

The extension covers Westgold's Cue, Meekatharra and Fortnum Hubs within the Murchison region of Western Australia and is expected to generate approximately **\$75 million in revenue over the 12-month term**, based on current operating activity.

Under the extension, MLG will continue to provide a range of operational services including bulk haulage across the Murchison region, road maintenance activities including dust suppression, and run-of-mine (ROM) management and crusher feed services at the Meekatharra, Cue and Fortnum Hubs.

Acting Chief Executive Officer, Mark Hatfield, said: "MLG is pleased to continue supporting Westgold across its Murchison operations. Our teams have developed a strong working relationship with Westgold over a number of years and we are proud of the operational performance delivered across these sites".

"MLG look forward to continuing to demonstrate the value of MLG's integrated service offering across the Murchison region."

Authorised for release by the Board of Directors.

About MLG Oz Limited

MLG Oz Limited (ASX: MLG) is a Kalgoorlie-based integrated mining services and resource asset management company, founded by Managing Director Murray Leahy. MLG delivers tailored solutions to mining operations, primarily focused on supporting its clients' ore processing facilities across gold, iron ore and other base metals in Western Australia and the Northern Territory.

MLG offers a comprehensive range of services under an integrated business model, often within a single contractual framework. These include Civil & Construction, Crushing & Screening, Bulk Haulage & Site Services, and the supply of Open Pit Mining & Construction Materials from MLG's strategically located regional quarries.

The Company's key capabilities include build, own, and operate models, contract crushing and screening services, as well as crusher feed and material management.

Services extend to include construction, road maintenance, rehabilitation work, vehicle maintenance, and machinery and labour hire.
