Patriot Resources Limited (“Patriot”, “PAT” or the “Company”) is pleased to announce the appointment of Mr Dominic Duggan as Managing Director and Chief Executive Officer, effective immediately.

He has held operational and **functional leadership roles within complex mining operations and multi-disciplinary teams**, including experience with **Rio Tinto**, where he worked across mining operations, finance, operational leadership and engagement with First Nations partners on commercial agreements, heritage and planning approvals.

His combined technical, operational and financial expertise positions him well to lead Patriot through its next phase of growth as the Company advances its global portfolio, including the **Tassa Gold–Silver Project in Peru**, the **Kitumba Copper Project in Zambia**, and the **Gorman Lithium Project in Canada**.

Patriot Chairman, Mr Hugh Warner commented:

“The Board is pleased to appoint Dominic Duggan as Managing Director. Since joining Patriot, Dom has demonstrated strong leadership, technical depth and a clear ability to manage the diverse requirements of a junior ASX mining company.

His operational experience across large-scale mining operations, combined with his financial expertise, positions him well to lead the development of the high-grade Tassa silver and gold project in Peru. Importantly, Dom has already established strong relationships with our in-country teams and local stakeholders, including the Tassa community, which will be critical to the project’s success.

The Board looks forward to working closely with Dom as we advance Patriot’s strategy and deliver value for shareholders.”

The key terms of Dominic’s employment agreement (“Agreement”) are consistent with the Company’s announcement on 2 February 2026.
