**ASX release**

**Venture Global's CP2 Project Phase 2 Full Notice to Proceed**

**Worley Limited (ASX: WOR)** ("Worley") today advises that it has received Full Notice to Proceed from Venture Global under its reimbursable engineering, procurement and construction (EPC) contract for the second phase of its CP2 project.<sup>1</sup> The Notice to Proceed follows Venture Global reaching a Final Investment Decision on 13 March 2026. Worley has been providing EPC planning services for Phase 2 under a Limited Notice to Proceed linked to the EPC contract.

CP2 is a major LNG export facility located in Cameron Parish, Louisiana, United States. Worley has been providing EPC services for the first phase with on-site construction for Phase 1 having commenced in June 2025.

"This is one of the most significant and strategically important LNG projects globally and we're proud to work with Venture Global as their project delivery partner. This project leverages our extensive expertise in LNG and builds on our capability to deliver complex, large-scale projects," said Chris Ashton, Chief Executive Officer at Worley.

Worley has identified LNG as one of our priority markets where we have an established leadership position and can scale execution capability.

Authorized for release by Nuala O'Leary, Group Company Secretary.
