EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolution.

1. RESOLUTION 1 – RATIFICATION OF ISSUE OF LOAN NOTE OPTIONS UNDER ASX LISTING RULE 7.4

1.1 Background

On 8 August 2025, the Company issued 2,235,295 options on the terms set out in Annexure A (**Loan Note Options**) to professional and sophisticated investors pursuant to the Loan Note Raising as announced by the Company to ASX on 7 August 2025.

1.2 ASX Listing Rules 7.1 and 7.4

Broadly speaking, subject to certain exceptions prescribed under ASX Listing Rule 7.2, ASX Listing Rule 7.1 limits the number of securities that a company may issue, or agree to issue, without shareholder approval over any 12-month period to 15% of the total of the number of shares the company had on issue at the start of the 12-month period (**15% Placement Capacity**).

At the time of issue, the issue of the Loan Note Options did not fall within any exception in ASX Listing Rule 7.2. As the issue has not yet been approved by Shareholders, the Loan Note Options are using up a part of the Company's 15% Placement Capacity, reducing the Company's capacity to issue further equity securities without shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the issue of the Loan Note Options.

ASX Listing Rule 7.4 allows for shareholders to subsequently approve an issue of, or agreement to issue, securities, provided the issue or agreement did not breach ASX Listing Rule 7.1 at the time of issue or entry into the agreement. If Shareholders provide approval under ASX Listing Rule 7.4, the issue or agreement is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that Rule.

The Directors consider it prudent to preserve the Company's 15% Placement Capacity where possible so as to provide the Company with added flexibility to capitalise on potential future opportunities to issue equity securities. Shareholders are therefore being asked to ratify the issue of Loan Note Options under ASX Listing Rule 7.4, pursuant to Resolution 1.

If this Resolution is passed, the 2,235,295 Loan Note Options will be excluded in calculating the Company's 15% Placement Capacity, effectively increasing the number of equity securities the Company can issue without obtaining Shareholder approval over the 12-month period following the issue date of the Loan Note Options.

If this Resolution is not passed, the Loan Note Options will be included in calculating the Company's 15% Placement Capacity, effectively decreasing the number of equity securities it can issue without obtaining Shareholder approval over the 12-month period following the issue date of the Loan Note Options.

1.3 Information required under ASX Listing Rule 7.5

For the purpose of ASX Listing Rule 7.5, the following information is provided in relation to the issues of the Placement Shares:

- (a) the Loan Note Options were issued to professional and sophisticated non-related party investors who participated in the Loan Note Raising, none of whom are considered to have a material identity for the purposes of the ASX Listing Rules;
- (b) the number of Loan Note Options for which ratification is sought is 2,235,295;
- (c) the material terms of the Loan Note Options are summarised in **Annexure A**;
- (d) the Loan Note Options were issued on 8 August 2025;
- (e) the Loan Note Options were not issued for cash consideration. Four (4) Loan Note Options were issued for every seventeen (17) Loan Notes subscribed under the Loan Note Raising;
- (f) the Loan Note Options were issued as part of the consideration agreed with the Loan Noteholders in respect of their agreement to provide Loan Notes to the Company. Further details regarding the Loan Notes are set out in the Company's ASX Announcement dated 7 August 2025. The funds raised from the issue of the Loan Notes were used to accelerate the BC Maxx Centre model in partnership with the Central Bank of India and for the continued expansion of Transaction Solutions International (India) Pvt Ltd Brown Label ATM (BLA) fleet;

- (g) a voting exclusion statement is included in the Notice; and
- (h) the Loan Note Options were issued in connection with the Loan Note Raising and not under any agreement.

1.4 Board Recommendation

The Board recommends that you vote in favour of Resolution 1. Each of the Directors currently intend to vote their respective shareholdings in favour of this Resolution.

2. RESOLUTION 2 – RATIFICATION OF ISSUE OF TRANCHE 1 PLACEMENT SHARES UNDER ASX LISTING RULE 7.4

2.1 Background

On 2 March 2026, the Company announced that it had received binding commitments for a A\$25 million institutional placement to sophisticated and institutional investors (**Placement**). The Placement will result in the issue of approximately 35,714,286 fully paid ordinary shares (**Placement Shares**) at an issue price of \$0.70 per Placement Share, representing a 12.5% discount to the last traded price of \$0.80 on 25 January 2026 and a 7.22% discount to the 5-day Volume Weighted Average Price (**VWAP**).

The Placement will be conducted in two Tranches:

- on 13 March 2026, the Company issued 13,683,113 Shares (**Tranche 1 Placement Shares**) to sophisticated and institutional investors under the Company's available placement capacity pursuant to ASX Listing Rule 7.1 and 7.1A; and
- 21,325,996 Shares (**Tranche 2 Placement Shares**) will be issued subject to sophisticated and institutional investors shareholder approval at this meeting, as detailed under Resolution 3.

The Tranche 1 Placement Shares were issued by utilising the Company's existing capacity under ASX Listing Rule 7.1 and ASX Listing Rule 7.1A, with 7,270,438 of these Tranche 1 Placement Shares issued pursuant to ASX Listing Rule 7.1 and 6,412,675 of these Tranche 1 Placement Shares having been issued under ASX Listing Rule 7.1A.

2.2 ASX Listing Rules 7.1 and 7.1A

Broadly speaking, subject to certain exceptions prescribed under ASX Listing Rule 7.2:

- ASX Listing Rule 7.1 limits the number of securities that a Company may issue, or agree to issue, without shareholder approval over any 12-month period to its 15% Placement Capacity; and
- ASX Listing Rule 7.1A provides that an 'eligible entity' can seek approval from its shareholders to increase this 15% limit by a further 10% to 25% (**Additional 10% Capacity**).

At the Company's annual general meeting held on 28 August 2025, the Company sought and obtained the approval of its Shareholders under ASX Listing Rule 7.1A for the Additional 10% Capacity.

At the time of issue, the issue of the Tranche 1 Placement Shares did not fall within any exception in ASX Listing Rule 7.2. As the issue has not yet been approved by Shareholders, the Tranche 1 Placement Shares are using up part of the Company's 15% Placement Capacity and part of the Additional 10% Placement Capacity, thereby reducing the Company's capacity to issue further equity securities without shareholder approval under ASX Listing Rule 7.1.

The Company considers it prudent to retain as much flexibility as possible to issue additional equity securities in the future to enable the Company to capitalise on potential future opportunities to raise capital or acquire assets without the cost and delay in obtaining Shareholder approval for such issues under ASX Listing Rule 7.1.

ASX Listing Rule 7.4 allows for shareholders to subsequently approve an issue of, or agreement to issue, securities, provided the issue or agreement did not breach ASX Listing Rule 7.1 at the time of issue or entry into the agreement. If Shareholders provide approval under ASX Listing Rule 7.4, the issue or agreement is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that Rule. A note to ASX Listing Rule 7.4 also provides that an issue made in accordance with ASX Listing Rule 7.1A can be approved subsequently under ASX Listing Rule 7.4 and, if it is, the issue will then be excluded from variable "E" in ASX Listing Rule 7.1A.2 (which means that the Company's capacity to issue further equity securities without Shareholder approval under ASX Listing Rule 7.1A is not reduced).

If this Resolution is passed, the Tranche 1 Placement Shares will be excluded in calculating the Company's 15% Placement Capacity and Additional 10% Capacity, effectively increasing the number of equity securities the Company can issue without obtaining Shareholder approval over the 12-month period following the issue date of the Tranche 1 Placement Shares. If Resolution 2 is not passed, the Tranche 1 Placement Shares will be included in calculating the Company's 15% Placement Capacity and Additional 10% Capacity, effectively decreasing the number of equity securities it can issue without obtaining Shareholder approval over the 12-month period following the issue date of the Tranche 1 Placement Shares.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of Tranche 1 Placement Shares for the purposes of ASX Listing Rule 7.4.

2.3 Information required under ASX Listing Rule 7.5

For the purpose of ASX Listing Rule 7.5, the following information is provided in relation to Resolution 2:

- (a) the Tranche 1 Placement Shares were issued to institutional and sophisticated non-related party investors who participated in the Placement, none of whom are considered to have a material identity for the purposes of the ASX Listing Rules;
- (b) the number of Tranche 1 Placement Shares for which ratification is sought is 13,683,113;
- (c) the Tranche 1 Placement Shares are Shares which rank pari passu with the other Shares on issue and which are on the same terms as the other Shares on issue;
- (d) the Tranche 1 Placement Shares were issued on 13 March 2026;
- (e) the Tranche 1 Placement Shares were issued for cash consideration at a price of \$0.70 per Tranche 1 Placement Share;
- (f) the funds raised by the issue of the Tranche 1 Placement Shares will be used to:
 - (i) support execution of refinancing initiatives at TSI, which are expected to unlock approximately A\$33.25m1 / INR 191.2 crore of restricted cash and materially reduce gross debt and annual interest costs by c.A\$3.0m;
 - (ii) provide growth capital to immediately restart deployment of the SBI and CBI Brown Label ATM rollout programs and support the ramp-up cycle across the deployed portfolio;
 - (iii) support commencement of the UBI rollout in the second half of 2026;
 - (iv) enhance platform liquidity to drive BankIT transaction volumes and enabling twice-daily White Label cash indents to support increased daily transaction throughput; and
 - (v) progress targeted IPO financial metrics and preparations for the proposed Indian IPO;
- (g) a voting exclusion statement is included in the Notice; and
- (h) the Tranche 1 Placement Shares were issued pursuant to commitment letters that contained standard terms for the issue of Shares.

2.4 Board Recommendation

The Board recommends that you vote in favour of Resolution 2. Each of the Directors currently intend to vote their respective shareholdings in favour of this Resolution.

3. RESOLUTION 3 – APPROVAL OF ISSUE OF TRANCHE 2 PLACEMENT SHARES UNDER ASX LISTING RULE 7.1

3.1 Background

As detailed in section 2.1 of this Explanatory Memorandum, the Placement was agreed to be conducted in two tranches. Resolution 3 seeks Shareholder approval in respect of the proposed issue of the Tranche 2 Placement Shares to sophisticated and institutional investors identified by the Lead Manager to participate in the Placement.

3.2 ASX Listing Rule 7.1

A summary of ASX Listing Rule 7.1 is set out in section 2.2 of this Explanatory Memorandum.

The proposed issue of the Tranche 2 Placement Shares does not fall within any of the exceptions prescribed under ASX Listing Rule 7.2 and if Resolution 2 is not approved, the issue of the Tranche 2 Placement Shares would

exceed the Company's 15% Placement Capacity and Additional 10% Capacity. Accordingly, the issue of the Tranche 2 Placement Shares requires the approval of the Company's Shareholders under ASX Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Tranche 2 Placement Shares. In addition, the Tranche 2 Placement Shares will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under ASX Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Tranche 2 Placement Shares and the growth and progress that the Company hoped to achieve from the Placement will be diminished accordingly.

The Company considers it prudent to retain as much flexibility as possible to issue additional equity securities in the future to enable the Company to capitalise on potential future opportunities to raise capital or acquire assets without the cost and delay in obtaining Shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Resolution 3 seeks Shareholder approval to approve the issue of Tranche 2 Placement Shares for the purposes of ASX Listing Rule 7.1.

3.3 Information required under ASX Listing Rule 7.3

For the purpose of ASX Listing Rule 7.3, the following information is provided in relation to Resolution 3:

- (a) the allottees are new and existing institutional and sophisticated non-related party investors who the Lead Manager has identified for participation in the Placement, none of whom are considered to have a material identity for the purposes of the ASX Listing Rules;
- (b) the maximum number of Tranche 2 Placement Shares to be issued is 21,325,996 fully paid ordinary shares;
- (c) the Tranche 2 Placement Shares are Shares which will rank pari passu with the other Shares on issue and which are on the same terms as the other Shares on issue;
- (d) the Company expects that the Tranche 2 Placement Shares, the subject of this Resolution, will be issued within 5 days of the Meeting, and in any event, by no later than 3 months after Shareholder approval is obtained at the Meeting (or otherwise, as determined by the ASX in the exercise of its discretion);
- (e) the Tranche 2 Placement Shares will be issued for cash consideration of \$0.70 per Tranche 2 Placement Share;
- (f) the funds raised by the issue of the Tranche 2 Placement Shares will be used to:
 - (i) support execution of refinancing initiatives at TSI, which are expected to unlock approximately A\$33.25m / INR 191.2 crore of restricted cash and materially reduce gross debt and annual interest costs by c.A\$3.0m;
 - (ii) provide growth capital to immediately restart deployment of the SBI and CBI Brown Label ATM rollout programs and support the ramp-up cycle across the deployed portfolio;
 - (iii) support commencement of the UBI rollout in the second half of 2026;
 - (iv) enhance platform liquidity to drive BankIT transaction volumes and enabling twice-daily White Label cash indents to support increased daily transaction throughput; and
 - (v) progress targeted IPO financial metrics and preparations for the proposed Indian IPO;
- (g) the Tranche 2 Placement Shares will be issued pursuant to commitment letters that contain standard terms for the issue of Shares; and
- (h) a voting exclusion statement is included in the Notice.

3.4 Board Recommendation

The Board recommends that you vote in favour of Resolution 3. Each of the Directors currently intend to vote their respective shareholdings in favour of this Resolution.

4. RESOLUTION 4 – APPROVAL OF ISSUE OF TAURUS CAPITAL OPTIONS UNDER ASX LISTING RULE 7.1

4.1 Background

The Company has agreed to issue to Taurus Capital:

- 2,000,000 options exercisable at \$0.90 per option within 3 years after the date of issue; and
- 1,000,000 options exercisable at \$1.20 per option within 3 years after the date of issue,

(together, **Taurus Capital Options**) as part consideration for its services in acting as Lead Manager to the Placement.

4.2 ASX Listing Rule 7.1

A summary of ASX Listing Rule 7.1 is set out in section 2.2 of this Explanatory Memorandum.

The proposed issue of the Taurus Capital Options does not fall within any of the exceptions prescribed under ASX Listing Rule 7.2 and if Resolution 2 is not approved, the issue of the Taurus Capital Options would exceed the Company's 15% Placement Capacity. Accordingly, the issue of the Taurus Capital Options requires the approval of the Company's Shareholders under ASX Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to proceed with the issue of the Taurus Capital Options. In addition, the Taurus Capital Options will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under ASX Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Taurus Capital Options and the Company will be required to pay the Lead Manager cash in lieu of the Taurus Capital Options.

The Company considers it prudent to retain as much flexibility as possible to issue additional equity securities in the future to enable the Company to capitalise on potential future opportunities to raise capital or acquire assets without the cost and delay in obtaining Shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Resolution 4 seeks Shareholder approval to approve the issue of Taurus Capital Options for the purposes of ASX Listing Rule 7.1.

4.3 Information required under ASX Listing Rule 7.3

For the purpose of ASX Listing Rule 7.3, the following information is provided in relation to Resolution 4:

- (a) the Taurus Capital Options will be issued to Taurus Capital Group Pty Ltd;
- (b) the number of Taurus Capital Options to be issued is:
 - (i) 2,000,000 options exercisable at \$0.90 per option within 3 years after the date of issue; and
 - (ii) 1,000,000 options exercisable at \$1.20 per option within 3 years after the date of issue;
- (c) the terms of the Taurus Capital Options are set out in **Annexure B**;
- (d) the Company expects that the Taurus Capital Options will be issued within 5 days of the Meeting, and in any event, by no later than 3 months after Shareholder approval being obtained by the Company (or otherwise, as determined by the ASX in the exercise of its discretion);
- (e) the Taurus Capital Options will not be issued for cash consideration, as they are being issued as partial consideration for services provided in conjunction with the Placement;
- (f) no funds will not be raised by the issue of the Taurus Capital Options;
- (g) the Taurus Capital Options were issued under the engagement letter between the Company and Taurus Capital (**Lead Manager Engagement Letter**). The key terms of the Lead Manager Engagement Letter are set out in **Annexure C**; and
- (h) a voting exclusion statement is included in the Notice.

4.4 Board Recommendation

The Board recommends that you vote in favour of Resolution 4. Each of the Directors currently intend to vote their respective shareholdings in favour of this Resolution.

5. RESOLUTION 5 – APPROVAL OF ISSUE OF PLACEMENT SHARES TO NICHOLAS SMEDLEY, CHAIRMAN OF THE COMPANY

Resolution 5 seeks Shareholder approval to issue and allot 720,000 fully paid ordinary shares (**Director Placement Shares**) to Nicholas Smedley (or his Associate) on the same terms as those applicable to the Tranche 2 Placement Shares.

5.2 ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that, unless one of the exceptions in ASX Listing Rule 10.12 applies, the Company, must not issue equity securities to:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the Company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an associate of a person referred to in (a) to (c) above; and
- (e) a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders,

without Shareholder approval.

As Nicholas Smedley is a Director of the Company, he is a related party and ASX Listing Rule 10.11 applies. The proposed issue of Director Placement Shares does not fall within any of the exceptions in ASX Listing Rule 10.12, and, accordingly, Resolution 5 seeks Shareholder approval to issue the Director Placement Shares to Mr Smedley (or his Associate) for the purposes of ASX Listing Rule 10.11.

If Shareholder approval is obtained under ASX Listing Rule 10.11, in accordance with ASX Listing Rule 7.2 (Exception 14), separate approval is not required under ASX Listing Rule 7.1.

If this Resolution is passed, the Company will be able to proceed with the issue of Director Placement Shares to Mr Smedley (or his Associate).

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Director Placement Shares to Mr Smedley (or his Associate) to raise \$504,000.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- the giving of the financial benefit falls within one of the exceptions to the provisions; or
- Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Director Placement Shares to Mr Smedley (or his Associate) constitutes the giving of a financial benefit to a related party under Chapter 2E of the Corporations Act.

Section 210 of the Corporations Act provides that a financial benefit given by a public company to a related party does not require member approval under Chapter 2E if the terms of the benefit are the same as those that would be reasonable in the circumstances if the parties were dealing at arm's length or are less favourable to the related party.

The Directors have considered the issue of the Director Placement Shares and formed the view that the Director Placement Shares are on arm's length terms given they are on the same terms as applicable to the Placement Shares and accordingly, the exception in section 210 of the Corporations Act applies. Accordingly, the Company is only seeking Shareholder approval for the proposed issue of Director Placement Shares under and for the purposes of ASX Listing Rule 10.11.
