Investor Presentation

Presented by : **Martin Filz** - CEO

Disclaimer

This presentation has been prepared by Pureprofile Limited (Pureprofile) and comprises summary informations and materials/slides concerning Pureprofile. This is not a prospectus, disclosure document or offering document. By attending an investor presentation or briefing, or accepting, accessing or reviewing this presentation, you acknowledge and agree to the terms set out below.

This presentation is for information purposes only and is a summary only. It should be read in conjunction with Pureprofile's most recent financial report and other periodic and continuous disclosure information lodged with the Australian Securities Exchange (ASX). This presentation does not constitute or form part of any offer or invitation to acquire, sell or otherwise dispose of, or issue, or any solicitation of any offer to sell or otherwise dispose of, purchase or subscribe for, any securities, nor does it constitute investment advice, nor shall it or any part of it nor the fact of its distribution form the basis of, or be relied on in connection with, any contract or investment decision.

Future performance and forward-looking statements

This presentation includes forward looking statements, which can generally be identified by the use of words such as "may", "will", "expect", "intend", "plan", "estimate", "anticipate", "project", "believe", "forecast" and "guidance" or other similar words. These forward looking statements speak only as at the date of this presentation. These statements are based on current expectations and beliefs and, by their nature, are subject to a number of known and unknown risks and uncertainties that could cause the actual results, performances and achievements to differ materially from any expected future results, performance or achievements expressed or implied by such forward looking statements. No representation, warranty or assurance (express or implied) is given or made by Pureprofile that the forward looking statements contained in this presentation are accurate, complete, reliable or adequate or that they will be achieved or prove to be correct. Except for any statutory liability which cannot be excluded, each of Pureprofile, its related companies and their respective officers, employees and advisers expressly disclaim any responsibility for the accuracy or completeness of the forward looking statements and exclude all liability whatsoever (including negligence) for any direct or indirect loss or damage which may be suffered by any person as a consequence of any information in this presentation or any error or omission therefrom. Subject to any continuing obligation under applicable law or any relevant listing rules of the ASX, Pureprofile disclaims any obligation or undertaking to disseminate any updates or revisions to any forward looking statements in these materials to reflect any change in expectations in relation to any forward looking statements or any change in events, conditions or circumstances on which any statement is based. Nothing in these materials shall under any circumstances create an implication that there has been no change in the affairs of Pureprofile since the date of this presentation.

Industry data and third party information

Industry data and third party information used in this presentation may have been obtained from research, surveys, reports or studies conducted by third parties, including industry or general publications. Neither Pureprofile nor its representatives have independently verified any such market or industry data.

Non-IFRS Performance measures

This results presentation uses non-IFRS performance measures which have not been audited or reviewed. The Company believes that, in addition to the conventional measures reported under IFRS, the Company and investors use this information to evaluate the Company's performance. Non-IFRS performance measures include EBITDA. EBITDA is defined as Earnings Before Interest, Taxes, Depreciation, and Amortisation and excludes significant items including share based payments.

Pureprofile's Achievements in H1 FY26

Record H1 FY26 earnings and accelerating global growth support

- **Profit after tax increased to \$1.9m**, up **22%** on pcp, supported by continued earnings growth and recognition of deferred tax assets following two consecutive years of taxable profits
- **Basic EPS up 21%** to **0.1656 cps**, demonstrating improved shareholder returns
- Closing cash balance of **\$5.9m**, up from **\$5.7m** at 30 June 2025
- **Record H1 FY26 revenue of \$33.3m**, up **14%** on pcp, reflecting sustained double-digit growth and a five-year revenue CAGR of **22%**
- **Strong EBITDA** growth of **14%** on pcp to **\$3.8m**, with EBITDA margin sustained at **11%**, notwithstanding ongoing investment in growth initiatives
- **Rest of World (ROW)** revenue surpassed ANZ in H1 FY26, reflecting a significant milestone in geographic diversification and successful execution of the Group's international growth strategy
- **ROW** revenue grew **30%** on pcp to **\$16.8m**, driven by strong demand in the UK and US and delivering a five-year CAGR of **38%**
- **ANZ** revenue increased **2%** on pcp to **\$16.5m**, consistent with expectations following the FY25 i-Link acquisition, and continues to provide a stable and profitable base
- Continued acceleration in **platform** revenue, up **54%** on pcp, supporting the scalability of Pureprofile's technology-enabled model

Pureprofile's Growth Journey

Pureprofile's above-market historic growth is driven by our extensive panel reach, innovative technology and client-focused approach - all made possible by our highly engaged and talented team

This is the formula that enables us to consistently outperform our competitors

FY 2021

Company restructure

- **Restructured** group operations
- Unprofitable business units **divested**
- Strengthened balance sheet with a **capital raise**
- Completed debt to **equity swap** to provide the foundation to deliver on growth ambitions
- **Refreshed** executive team

FY 2022 - FY 2024

Invest in people, panels & tech

- **Replicated** successful Australian business unit in markets outside of Australia
- Focused on **global** team expansion
- Developed global **processes**
- **Re-engineered** core technology
- Drove **efficiency** and improved product profitability
- Developed highly motivated organisational **culture** with a clear goal to enhance **shareholder** value & **employee** experience

FY 2025 - FY 2027

Accelerate global growth

Our focus for FY26 and FY27 is to **drive growth** in key markets while **improving margins** through clear goals and an aligned action plan

H1FY26 Financial Results

EBITDA and EBITDA margin excludes significant items including share based payments

For personal use only

Record H1 FY26 earnings delivered

Profit after tax increased to **\$1.9m**, up **22%** on pcp, supported by continued earnings growth and recognition of deferred tax assets following two consecutive years of taxable profits

H1 FY26 delivered record half-year revenue of **\$33.3m**, up **14%** on pcp, underpinned by the successful execution of our growth strategy. Platform revenue grew **54%** on pcp, as more clients leverage our solutions to deliver insights and drive revenue

ROW delivered a **30%** uplift in revenue on pcp, underpinned by the UK and US, reflecting increasing demand for our solutions across international markets. ANZ revenue was up **2%** on pcp, assisted by a strong performance by the team, in a competitive market where we already hold significant share

EBITDA growth of **14%** on pcp to **\$3.8m**, supported by top-line growth and disciplined cost management. EBITDA margin remained at **11%**, balancing profitability with investment in global expansion

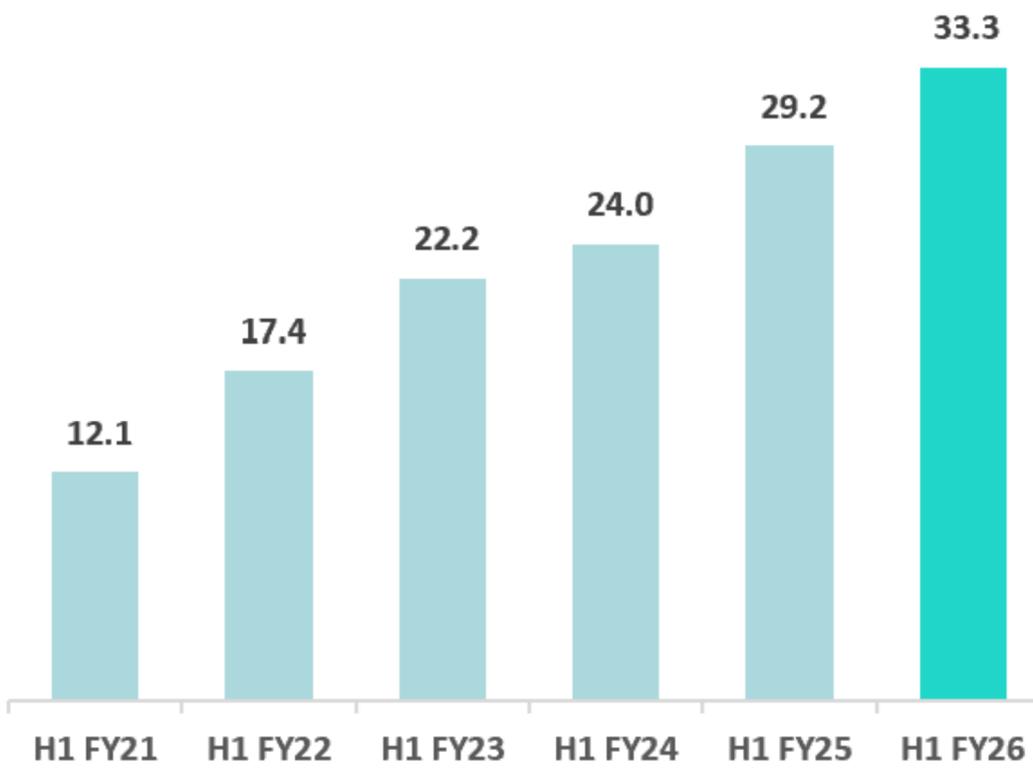

Business Results	H1 FY26	vs H1 FY25
Revenue	\$33.3m	14% 
EBITDA	\$3.8m	14% 
EBITDA Margin %	11%	0 ppts%
Net profit after tax	\$1.9m	22% 

Business Unit Revenues	H1 FY26	vs H1 FY25
ANZ (incl. Platform)	\$16.5m	2% 
Rest of World (incl. Platform)	\$16.8m	30% 
Platform	\$9.4m	54%

➔ Reiterate FY26 Financial Guidance

Revenue

\$64m to \$65m

EBITDA Margin %

10% to 11%

Our strategy to achieve these targets is aligned to our key priorities for FY26:

- **Innovative Client-facing Solutions:** Increasing the number of innovative products and services to expand our new client base and existing client share of wallet
- **Leveraging AI for Growth and Efficiency:** Integrating AI technologies to enhance our data insights and automation capabilities
- **Accelerated Execution of FY26 Corporate Strategy:** Continued focus on executing our existing global growth strategy .

Based on current expectations and assuming a continuation of current global macroeconomic conditions

Clear corporate growth strategy

01. Global Business

Focus on building a stronger **global business, global panel** and adding **complementary data sources** through strategic partnerships

03. Data & Insights

Leverage Pureprofile's **proprietary data**

- Data & Insights
- Audience Builder

02. Technology & AI

Accelerate our **Technology & AI solutions**

- Datarubico
- Synthetic responses
- Social Insights tools
- Internal efficiency
- Platform

Aspirational Objectives for **FY26 & FY27**

For personal use only

Drive Growth

International Revenue Overtakes ANZ

Double the UK business revenue, taking significant market share
Triple the US business revenue

Product Expansion

Triple platform business revenue
Increase uptake of client facing solutions
Become an **important source of data** within the AI space

Mergers & Acquisitions

Identify & execute **acquisition opportunities** which can aid in accelerating growth in key markets

Improve Margins

Economies of Scale

Continually **reducing costs versus revenue**
Specific focus on **salaries & contractors** proportional to revenue

Reduced Reliance on Suppliers

Expand panel sizes in key growth markets
Launch new panels in emerging markets where appropriate
Identify synthetic data opportunities to reduce need for sample

Processes & Tech

Being a tech-led organisation will enable us to operate and grow as a leaner team

Note: The statements in this slide are aspirational in nature and do not constitute financial guidance

→ Driving Growth Through Innovation

Our focus on **Technology & AI** has enabled us to grow revenues and expand margins through innovation

New AI solutions

Developed to improve the delivery of client solutions and create internal efficiencies

- AI Translations Tool
- AI Probing Tool
- AI Coding Tool
- AI Data Quality Tool

Platform solutions

Enhanced solutions to increase revenues

- Datarubico Insights Creator
- Datarubico Audience Access

The Hub

Centralised platform for partners and internal resources

Encodify

Automated workflow platform to streamline processes

ISO 27001 certification

Secure and trusted partner for increased government and financial sector revenues

Enhanced API integrations

Increases use of Pureprofile platform through automation

For personal use only

Platform

Platform to support clients and drive strategic growth

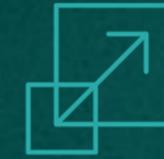

Deliver more value for clients

Giving a broader range of clients the flexibility to choose the right tools to access insights and benefit from advances in AI technology

High quality insights - delivered at scale

A suite of scalable, tech-enabled tools giving clients more control over their research needs - faster, more efficient and without compromising on quality

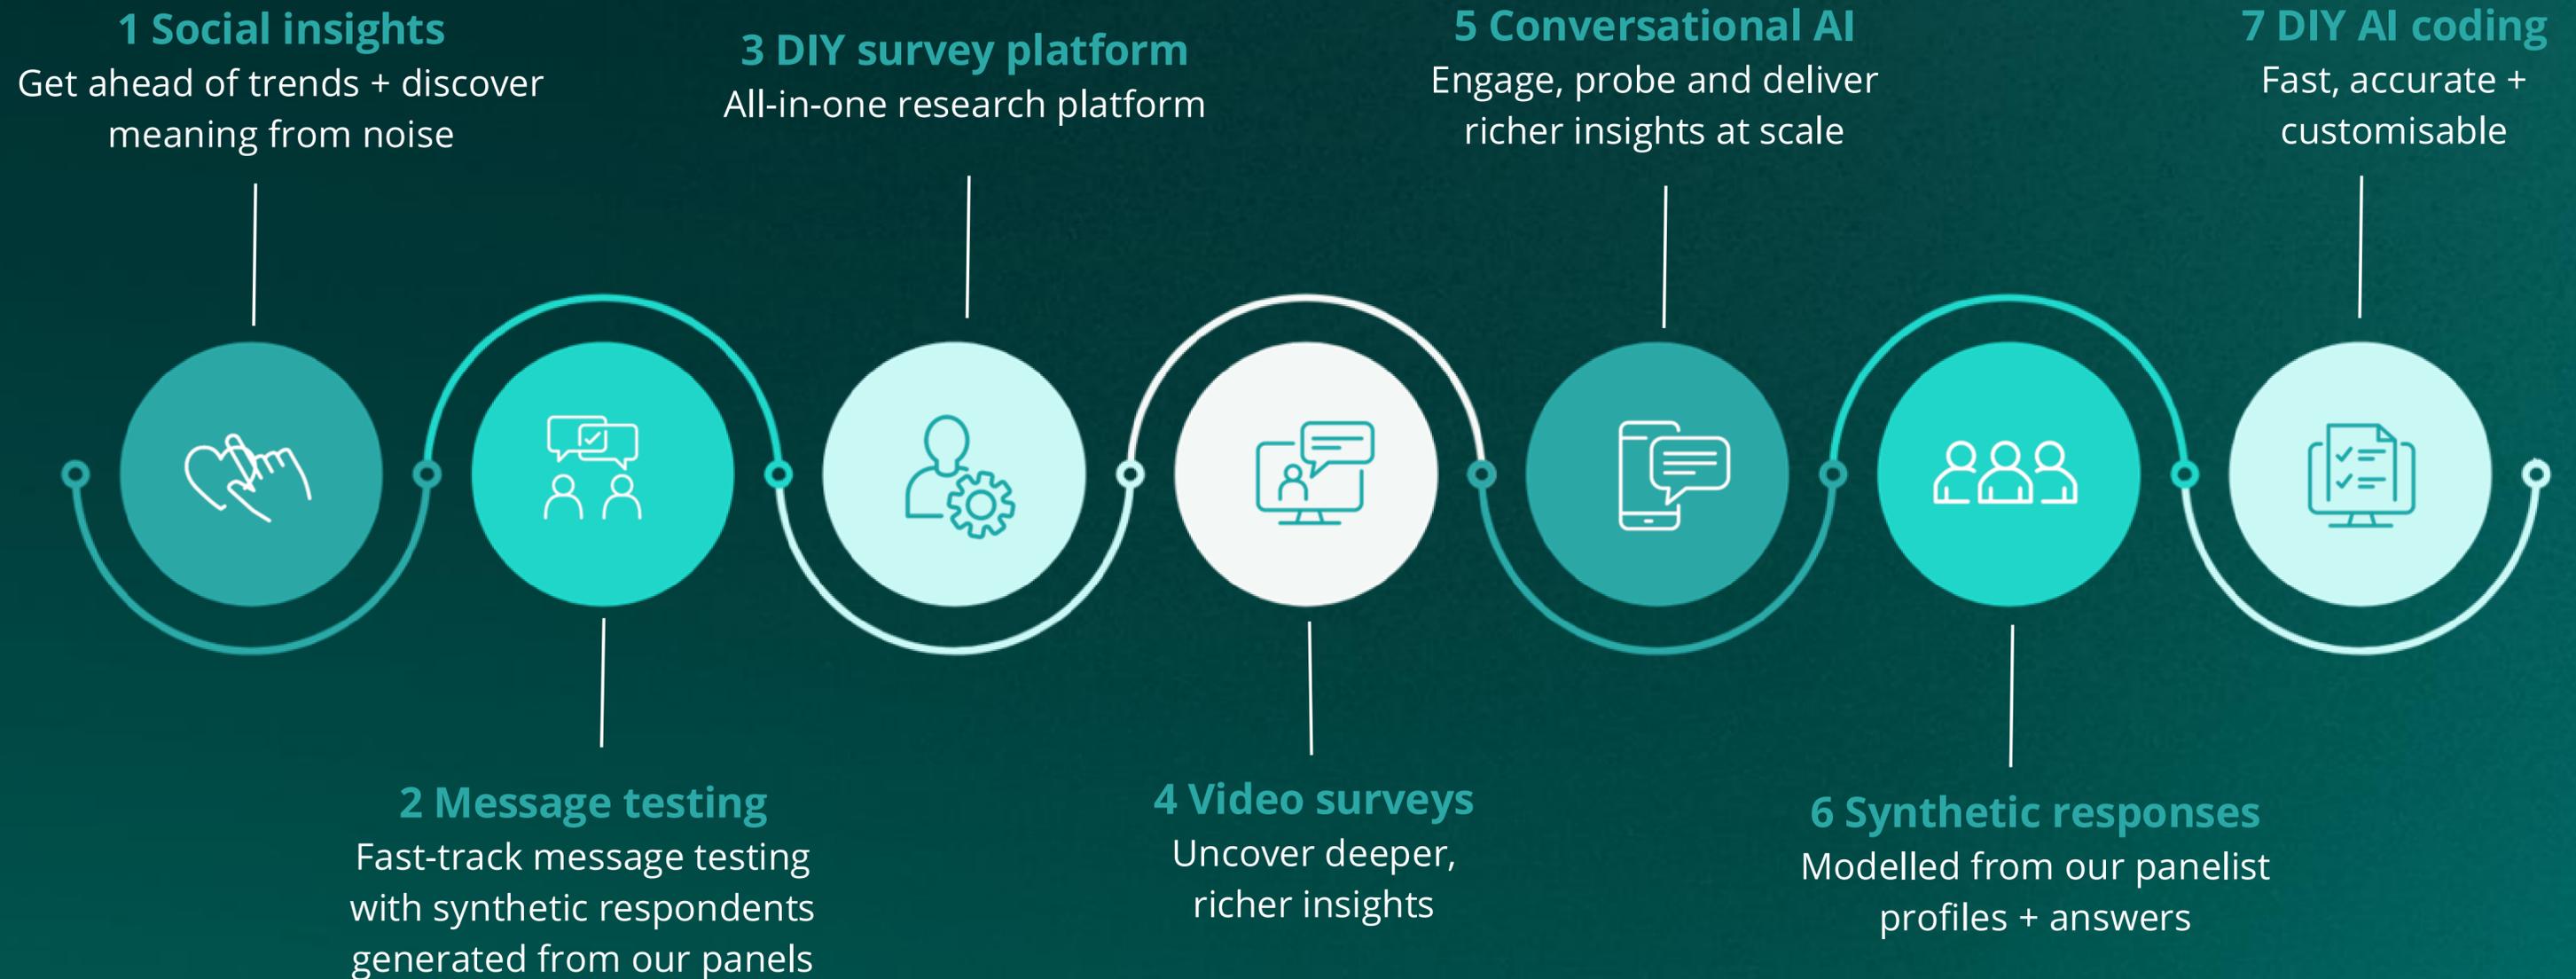

Support margin expansion

Strengthen our service mix by offering both expert-led and platform-based solutions - attracting new clients, reducing cost-to-serve, and enabling operating leverage

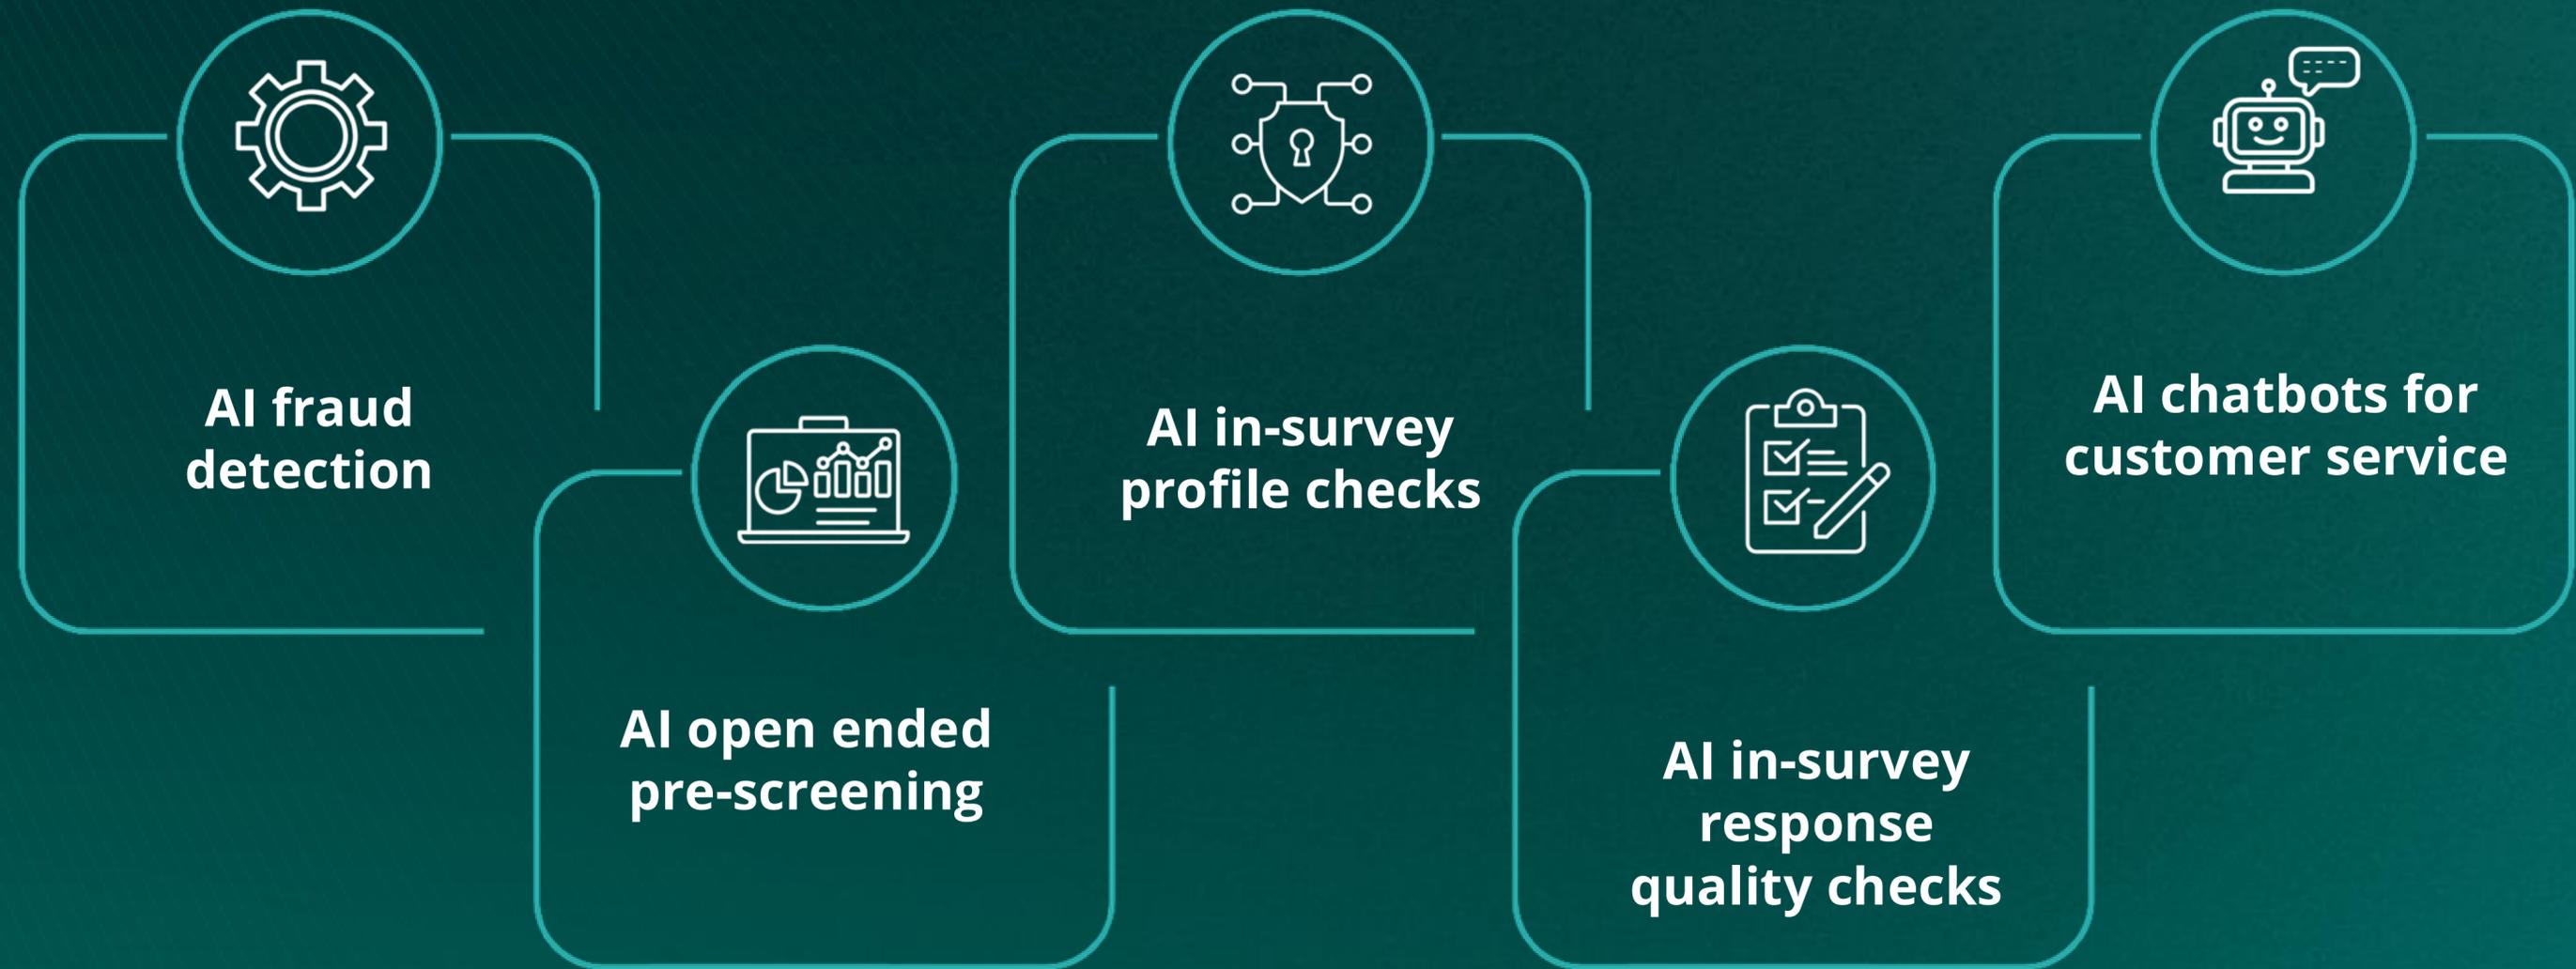

An evolving client journey

New products and solutions aligning to market demands and client needs

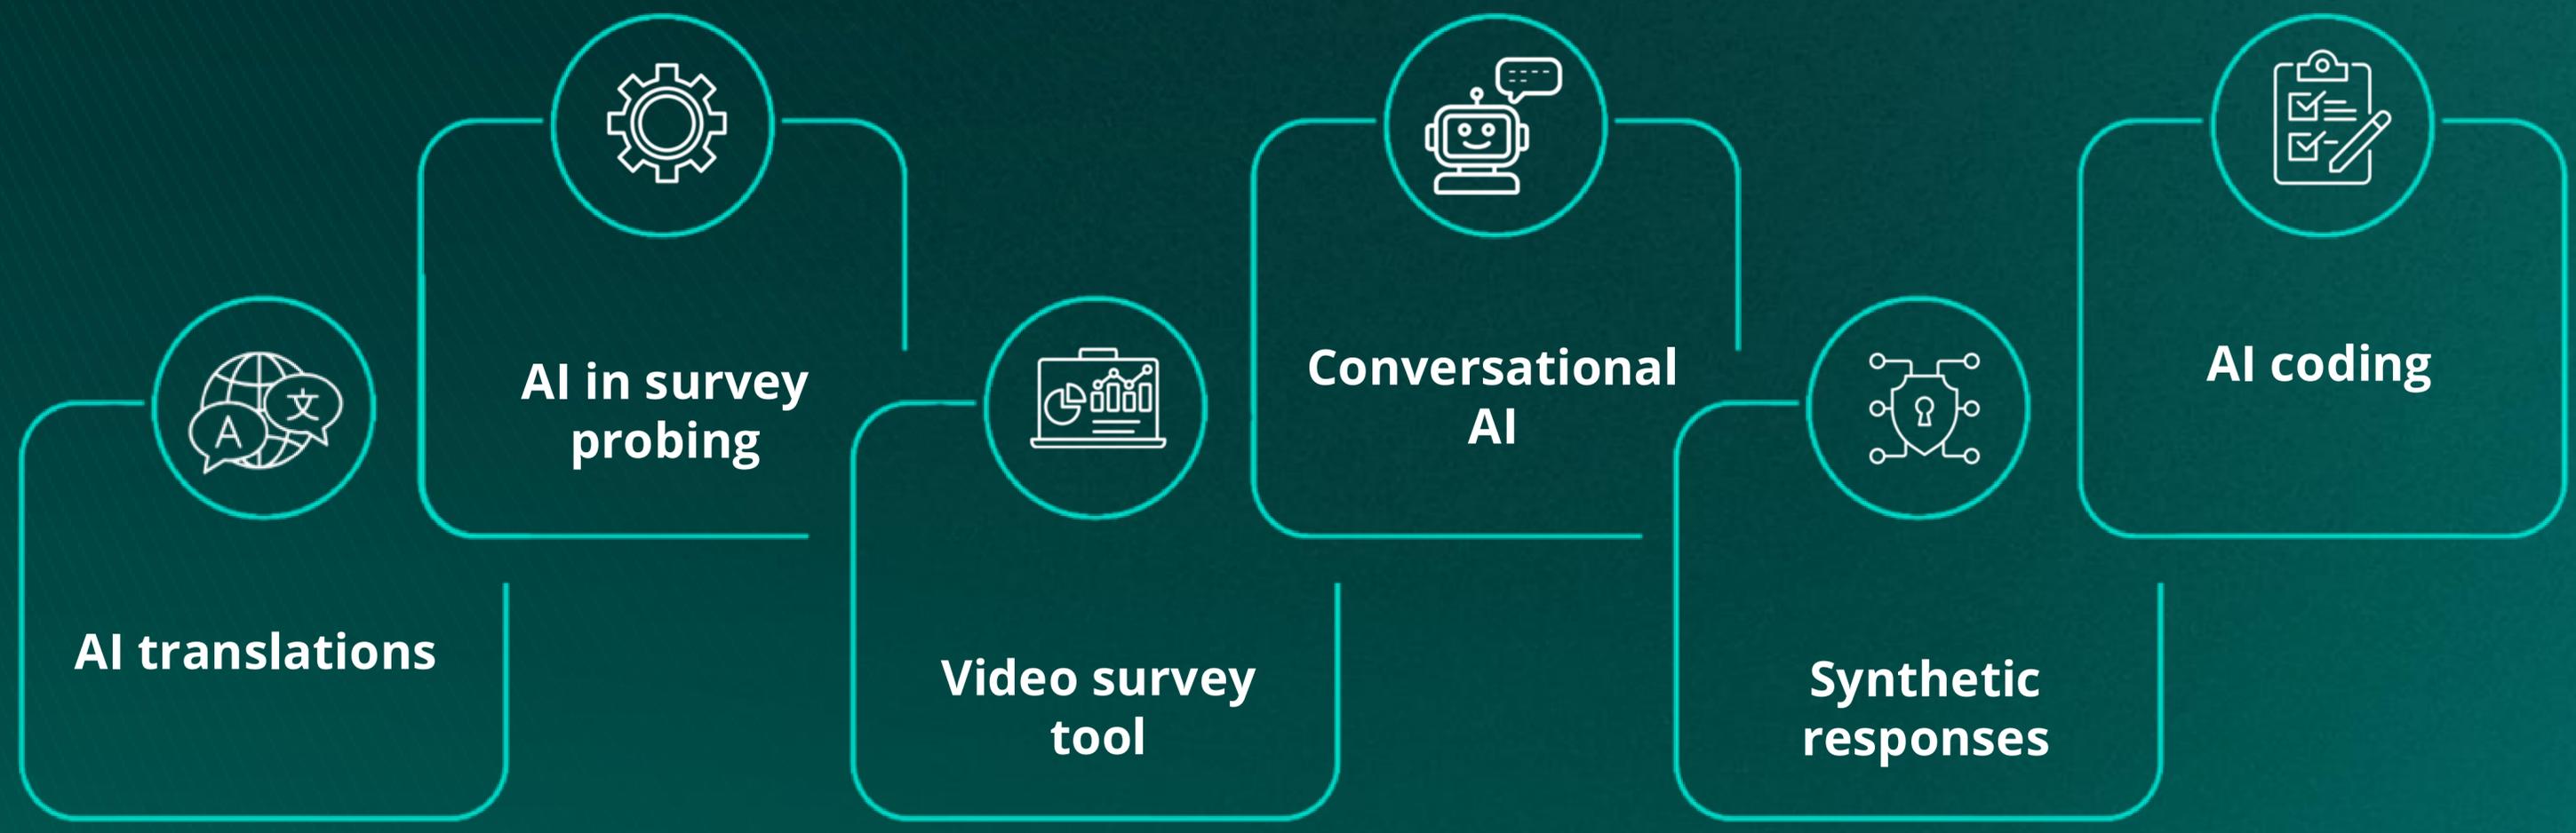

For personal use only

We use AI for faster, higher quality insights and more efficient delivery for clients

New client facing solutions to drive revenue and margin growth

Understanding consumers through the world's data

Social Meaning

Decode and interpret online consumer behaviour and cultural shifts through a research lens powered by AI.

Emerging Trends

Use advanced AI to stay ahead by spotting online trends before they become mainstream.

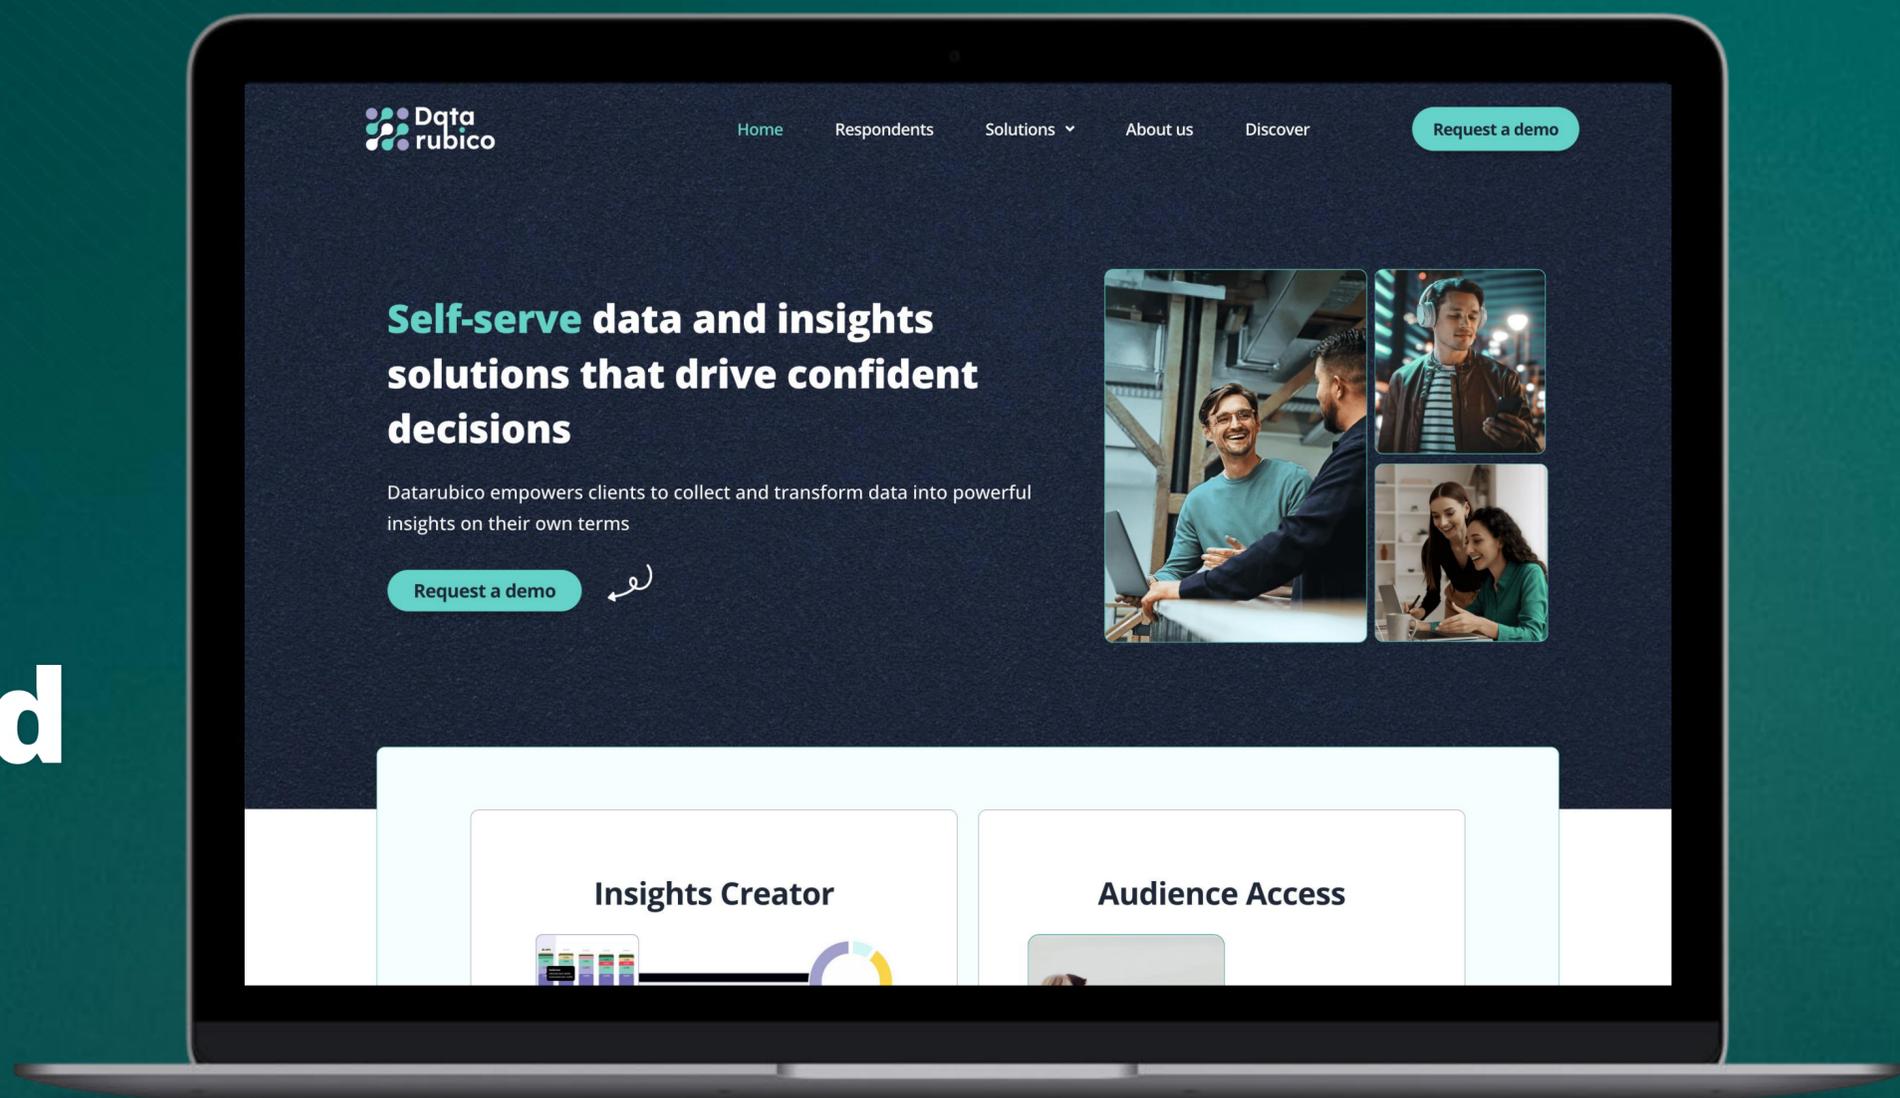

Behavioural Spend Insights

Expand market share, understand competition and harness consumer trends with reports built on verified transactional data.
