Count announces successful completion of \$35.9 million Placement

Count Limited (ASX:CUP) (Count or the Company) is pleased to announce the successful completion of a \$35.9 million fully underwritten institutional placement (Placement) of approximately 34.2 million new fully paid ordinary shares (New Shares) to eligible institutional investors at a price of \$1.05 per New Share (Offer Price), representing a 7.5% discount to the last close price on Monday, 30 March 2026 of \$1.135. The Placement received strong support from existing investors as well as new institutional investors.

As outlined in Count's announcement on Tuesday, 31 March 2026, the proceeds of the Placement will be used to partially fund the acquisition of 100% of the businesses operated by Oracle Advisory Group Pty Ltd, Oracle Accounting (Australia) Pty Ltd, and Oracle Investment Management Pty Ltd (together, the "Oracle Group") (the "Acquisition"). Completion of the Acquisition is expected to occur late in 1H FY26 following satisfaction of various conditions precedent including receipt of ACCC approval (or notification waiver) and other conditions.

Count Chief Executive Officer Hugh Humphrey said: "*We are extremely pleased with the strong support from new and existing institutional investors who recognise the strategic benefits of our acquisition of Oracle Group. We are excited about the opportunities this will create for Count, our clients, and our shareholders and we look forward to launching the share purchase plan for our eligible retail shareholders next week.*"

In addition to the Placement, certain Directors of Count have committed to subscribe for an aggregate of \$315,000 of New Shares on the same terms as the Placement (Director Participation). The issue of New Shares to directors is subject to shareholder approval, which will be sought at a general meeting to be held in due course.

As previously announced, the Company is also undertaking a Share Purchase Plan (SPP) at the same Offer Price as the Placement to raise up to \$5 million.

Settlement of the New Shares under the Placement is expected to occur on Wednesday, 8 April 2026, with New Shares expected to be issued on Thursday, 9 April 2026 and commence trading on a normal settlement basis on the same day. The New Shares will rank equally with existing Count shares. The New Shares are within the Company's existing placement capacity under ASX Listing Rule 7.1 and 7.1.A and accordingly shareholder approval is not required.

Count shares are expected to resume normal trading on the ASX from market open today, Wednesday 1 April 2026.
