## Completion of Sale of Mt Dimer Tenements

---

Beacon Minerals Limited (ASX: **BCN**) (“**Beacon**” or the “**Company**”) advises that completion has occurred under the Tenement Sale Agreement with Forrestania Resources Limited (ASX: FRS) for the sale of the Company’s non-core Mt Dimer tenement package located in Western Australia.

As previously announced, the sale relates to the Company’s 100% interest in mining and exploration tenements M77/965, M77/957, M77/958 and E77/2518 together with associated mining information.

Completion has now taken place following satisfaction (or waiver) of the conditions precedent, and Beacon has received total consideration of **A\$200,000 (exclusive of GST)**, comprising:

- A\$50,000 purchase consideration; and
- A\$150,000 exclusivity consideration.

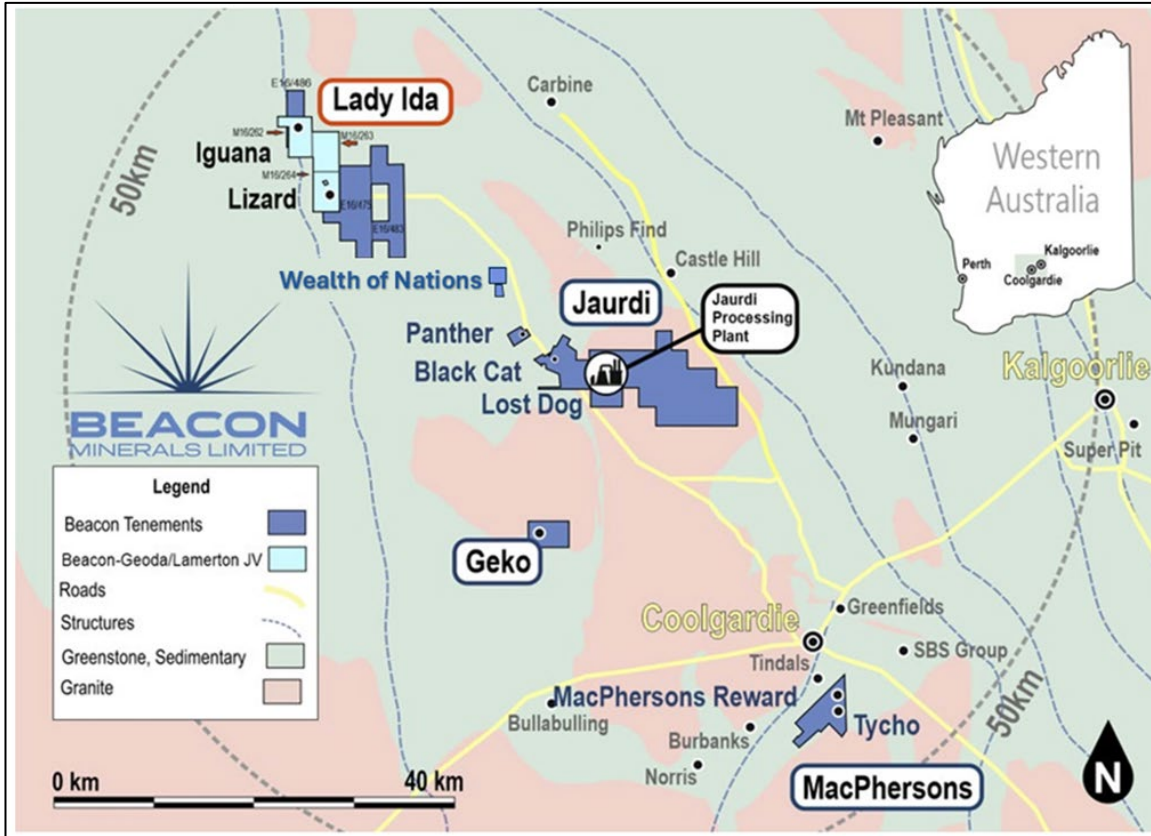

The divestment of the Mt Dimer tenements is consistent with Beacon’s strategy of portfolio rationalisation, enabling the Company to monetise non-core assets and reduce ongoing holding and compliance costs.

Funds received from the transaction will be applied towards working capital.
