The components set out in this statement are estimates only for the distribution made by the Fund for this distribution period. Unitholders should not rely on this information for the purposes of completing their income tax return.

Details of the full year components of distributions will be provided in the annual AMMA tax statement which will be issued following the end of the financial year.

Distributions for unitholders who have not made an election to receive distribution income as cash by 5pm on 7 March 2026 will have their distribution automatically reinvested in accordance with the Distribution Reinvestment Plan (**DRP**) Rules, available at the Resolution Capital RIF website.

RIF is adopting direct crediting of distribution payments as this is a more secure and convenient way to receive payments. Unitholders who have elected not to participate in the DRP but have not provided their Australian financial institution account details will have their distribution payments set aside and retained on their behalf. To avoid distribution payments being delayed, unitholders should provide their payment instructions to the unit registry before the Record Date.
