# GCM Appoints Chief Financial Officer - Builds Executive Capability Ahead of Revenue Generation

GCM Corporation Limited ("**GCM**" or the "**Company**") (**ASX: GCM**) is pleased to announce the appointment of Ms Tiani Robertson as Chief Financial Officer (**CFO**), effective 27 March 2026.

Ms Robertson is a finance executive with more than 20 years' experience across the energy and resources sectors in Australia, the United Kingdom, and the United States. She previously held senior roles at Fortescue Ltd and Centrica plc, leading corporate reporting, finance operations, and transformation initiatives in both ASX- and FTSE-listed environments. As a qualified Chartered Accountant, Ms Robertson is a Member of Chartered Accountants Australia and New Zealand, and is also a Member of the Australian Institute of Company Directors.

Ms Robertson brings deep expertise in financial control, IFRS reporting, and corporate governance, with a proven record of establishing finance functions in complex, fast-growing organisations. This experience will be critical as GCM accelerates the commercialisation of its Very High Density (**VHD**) technology and expands into its global target markets.

The appointment of Ms Robertson follows the launch of GCM's initial product line as part of the commercialisation pathway for its VHD technology platform.

### **Commenting on the appointment, GCM Managing Director, Clinton Booth, said:**

*"We are thrilled to welcome Tiani to GCM as Chief Financial Officer. She brings the right combination of global experience, strategic insight, and operational rigour that will strengthen our finance function and support the company as we accelerate our commercialisation pathway and enter the next phase of growth."*

*"Following the recent release of our initial product launch and early commercialisation activities, Tiani's leadership will be invaluable in bringing our VHD technology to market and reinforces our commitment to building a high-calibre executive team to drive growth and execution."*

### **Newly-appointed GCM CFO, Tiani Robertson, added:**

*"I am excited to join GCM at such a pivotal stage in its growth. The team is delivering technology with significant potential, and I look forward to further strengthening the finance function to support commercialisation and sustainable value creation as the Company expands into its global target markets."*
