An executive career spanning three continents underpins Ms Collins’ expertise in corporate finance and commercial management. At KPMG in Switzerland, she served as Director of Audit Services, managing a US GAAP conversion for ABB Group and acting as Global Client Services Manager for Syngenta during a major merger transaction. In Australia, she held senior roles at the Hannan Group, a A\$1.2 billion private conglomerate, and at NRMA, where she established treasury functions and executed acquisitions across a substantial property and hospitality portfolio.

Ms Collins holds a Bachelor of Economics from the University of Sydney, is an Associate of Chartered Accountants Australia and New Zealand and holds a Graduate Diploma of the Australian Institute of Company Directors and a Graduate Diploma in Applied Finance and Investment.
