

CRR Launches Loyalty Options Offer

Critical Resources Limited ('Critical Resources' or the 'Company', ASX:CRR) is pleased to advise its intention to undertake an issue to eligible shareholders holding shares on the Record Date, of one (1) Loyalty Option for every ten (10) fully paid ordinary shares in the Company ('CRR Shares') held, at an issue price of \$0.001 per Loyalty Option ('Offer').

Each Loyalty Option is expected to be convertible into one (1) CRR Share, exercisable at \$0.008 per Loyalty Option with an expiry date of 5:00pm (AWST) on 23 April 2028. The Offer is expected to include eligible jurisdictions of Australia and New Zealand, with others to be determined.

Subject to the quotation requirements of the ASX Listing Rules, the Company intends to apply for Official Quotation of all the Loyalty Options, as well as existing unquoted options previously issued on the same terms (ASX security code: CRRAC).

Critical Resources Managing Director, Tim Wither, commented: "We are appreciative of the continued support shown by our shareholders. The proposed Loyalty Option Offer is intended to acknowledge that support and align shareholders with the Company's long-term growth strategy, while also providing potential future funding flexibility."
