Record Cash Balance and FY26 Guidance Maintained

Kingsgate Consolidated Limited (ASX: KCN) (“Kingsgate” or the “Company”) is pleased to advise that **21,036 ounces of gold** and **182,549 ounces of silver** were produced in the March 2026 quarter. This result is the fifth consecutive quarter of over 20,000 ounces of gold, and brings total production to date for FY26 to **65,915 ounces of gold** and **545,932 ounces of silver**.

Kingsgate’s financial position continues to strengthen each quarter, with total cash, bullion and doré as at 31 March 2026 totalling **A\$213 million**. This represents a **~19%** increase from the December 2025 quarter¹.

Kingsgate’s Managing Director and CEO, Jamie Gibson said; “March was another solid quarter, marked by a new 6030 excavator joining our fleet which supported a new monthly record in total material moved at Chatree. During the quarter, we were also pleased to announce an Interim Dividend which was paid on 10 April (approximately \$A26 million). Looking ahead, we remain firmly on track to achieve FY26 guidance and are focused on delivering a strong final quarter.”

Further details will be provided in the March 2026 Quarterly Report, which is scheduled for release later this month.

This announcement is authorised for release by the Board of Kingsgate Consolidated Limited.
