Love Group Ltd (ASX:LVE) is pleased to present its quarterly cash flow report and operational update for the quarter ending March 2026.

Love Group Founder and CEO, Michael Ye: *“We are pleased to deliver another profitable quarter for the third quarter of FY26. We saw a notable drop in our Hong Kong revenue in the quarter, partially due to reduced store traffic during Chinese New Years. Aligned with our goal of maximizing free cash flows for shareholders, we are now operating with a leaner and more optimized cost structure across marketing, staff and office rentals. To drive significant long-term growth beyond our existing markets of Hong Kong and Singapore, we are continuing to explore potential new geographic markets to expand into in a profitable manner, with the US and UK market as the most likely near-term targets.”*
